Good morning sir,

After receiving approval from my boss, please use this email as confirmation that Xylem acknowledges and understands the reason as to why the (4) rental invoices are past due, and confirms that we will not charge the 1.5% service charge on these past due invoices.

Thank you!

Good afternoon, Tyler

Hope this email finds you well. I just left you a voice mail. As you know we have our board meeting for the approval of the new pump purchases and the payment on the past due invoices. '

The county is requesting an email from Xylem stating that they understand Brevard County has four (4) past due invoices on the rentals of the diesel bypass pumps. That Xylem understands the delayed payments were due to the time it took to acquire of all the proper information for the purchasing of new diesel bypass pumps. Also that Xylem will void the 1.5% per month service charge on the past due invoices.

Please give me a call when you time to talk.

Thank you,
Sherman Huffman
