TEMPORARY DRAINAGE EASEMENT
(Stadium Parkway, Segment E)

A. DUDA & SONS, INC., a Florida corporation and THE VIERA COMPANY, a Florida corporation (collectively "**Grantor**"), whose mailing address is 1200 Duda Trail, Oviedo, Florida 32765 and 7380 Murrell Road, Suite 201, Viera, Florida 32940, as of this 22 day of June 2022, in consideration of the payment of One Dollar (\$1.00) and other good and valuable consideration, the adequacy and receipt of which are hereby acknowledged, hereby grant and convey, but subject to the reservations and other matters set forth hereinbelow, to BREVARD COUNTY, FLORIDA, a political subdivision of the State of Florida ("**Grantee**"), whose mailing address is 2725 Judge Fran Jamieson Way, Viera, Florida 32940, a temporary easement for the purpose of installing, operating, inspecting, repairing, maintaining, replacing and improving stormwater drainage pipes, lines and related facilities and for stormwater drainage flow under, upon and through that certain real property of Grantor more particularly described in Exhibit "A" and Exhibit "B", attached hereto and made a part hereof (the "**Easement Area**"), said temporary easement being (the "**Easement**"). As part of the Easement, Grantee is granted the right to discharge stormwater drainage from portions of the Stadium Parkway public right of way, as noted on Exhibit "A" and Exhibit "B" hereof, into the respective portions of the Easement Area adjacent to those portions of Stadium Parkway. To the extent that any drainage pipes or structures connecting to the Easement Area are also within those portions of the Stadium Parkway public right of way, Grantee shall be responsible for maintaining only those drainage pipes and structures located within the public right of way. Grantee shall not have any responsibility regarding installation, operating, inspecting, repairing, replacement or improving of any storm pipes, storm structures or associated storm water management facilities located within the limits of the Easement Area or any private stormwater drainage system.

TOGETHER WITH the right in favor of Grantee for reasonable ingress and egress over and across the Easement Area at all times to facilitate the purposes of the Easement and the right to cut, trim, and keep the Easement Area clear of trees, brush and undergrowth.

THE EASEMENT hereby granted is non-exclusive, made subject to easements, conditions, restrictions, reservations and other matters of record encumbering the Easement Area as of the date of this instrument and as respectively granted by Grantor from time to time, and shall in no way restrict the right or interest of Grantor in the use and quiet enjoyment of its respective portions of the Easement Area to the extent that such use does not unreasonably interfere with the rights granted herein to Grantee. Without limiting the generality of the preceding sentence, Grantor expressly reserves the right to utilize its respective portions of the Easement Area for roadway, driveway, sidewalk, landscaping and signage purposes and for the installation of utilities such as potable water lines, reuse water lines and related improvements, and in

connection therewith to construct, install, repair, maintain and improve roadways, utility lines, driveways, sidewalks, landscaping, irrigation systems, signs, and improvements related thereto over, across, upon and under its respective portions of the Easement Area or any part thereof, to the extent that such use does not unreasonably interfere with the rights granted herein to Grantee.

GRANTOR anticipates that Grantor shall, in connection with platting and developing the lands of which the Easement Area is a part, dedicate the Easement Area, in whole or in parts, to Grantee for use as, *inter alia*, a public right-of-way for roadway and utility and/or drainage purposes and/or a utility and/or drainage easement. Therefore, all Easement rights and interests hereby granted to Grantee with respect to any portion of the Easement Area hereafter so dedicated to Grantee by Grantor shall automatically terminate and be in all respects extinguished, null, void and of no further force and effect as to the dedicated portion of the Easement Area upon the recording a subdivision plat in the Public Records of Brevard County, Florida containing such a dedication to Grantee.
