Mr. Golden,

Mr. Rob Klimkowski has informed me that he has submitted an application for an opening on the Housing and Human Services Advisory Board for the Affordable Housing Council, and am writing to support his being appointed to this position.

Mr. Klimkowski has demonstrated his interest on this topic through the following actions:

- Being 1 (of only 2) public comments at the first public hearing of the county commission for the Consolidated Plan in April;
- Attending and making public comment at the May Affordable Housing Committee meeting;
- Attending and making public comment at the June Affordable Housing Committee meeting;
- Suggesting that the county review and consider initiating a CLT (Communities Land Trust);
- Making comments on social media advocating for housing solutions in Brevard County.

Mr. Klimkowski's comments and questions indicated he has researched and considered his statements. The above actions reflect an interest in actively advocating for housing solutions in Brevard County.

I request that this email be forwarded to the decision-makers responsible for filling the open position, and with my support for his candidacy.

Regards,

Kristin Lortie, Brevard County Resident and Supporter of Community-minded Housing Solutions in Brevard County
