This Pricing Schedule for the service(s) identified below ("Service") is part of the Agreement referenced above. Customer requests that its identity be kept confidential and not be publicly disclosed by AT&T or by any regulatory commission, unless required by law.

Customer acknowledges and certifies that the interstate traffic (including Internet and international traffic) constitutes **ten percent (10%) or less** of the total traffic on any Service. Internet and International traffic are always considered interstate. The nature of the traffic, not merely the physical endpoints of the facility, determines whether the Port is Interstate or Intrastate.

On the Effective Date, this Pricing Schedule will supersede and replace all existing or prior agreement(s) for the Service identified in Attachment A.
