This Pricing Schedule for the service(s) identified below ("Service") is part of the Agreement referenced above.

Customer acknowledges and certifies that the interstate traffic (including Internet and international traffic) constitutes **ten percent (10%) or less** of the total traffic on any Service.

AT&T California currently provides billing and collections services to third parties, which may place charges that Customer authorizes on Customer's bill for intrastate Services. To the extent that AT&T California makes blocking of such charges available, Customer may block third-party charges from its bill at no cost.

Customer confirms receipt of the AT&T customer building / site preparation document describing the installation requirements at the Site(s).
