

RESOLUTION

Whereas surveying has been an essential element in the development of the human environment since the beginning of recorded history and it is a requirement in the planning and execution of nearly every form of construction with its most familiar modern uses in the fields of transportation, building and construction, communications, mapping and the definition of legal boundaries for land ownership;

Whereas George Washington, Thomas Jefferson, Abraham Lincoln and other former Presidents of the United States, served their fellow colonists as surveyors;

Whereas the surveying and mapping profession requires special education, training, the knowledge of mathematics, the related physical and applied sciences, and requirements of law for evidence;

Whereas the continual advancements in instrumentation have required the surveyor and mapper not only to be able to understand and implement the methods of the past, but also to learn and employ modern technology in finding solutions to meet the challenges of the future; and

Whereas the citizens of Brevard County recognize the valuable contributions of the surveying and mapping profession to history, development, and quality of life in Florida and the United States of America and make important decisions based on the knowledge and expertise of licensed surveyors and mappers.

Now, therefore, be it resolved that the Board of County Commissioners of Brevard County, Florida, in conjunction with National Surveyors Week, does hereby proclaim the week of March 19th through March 25th, 2023, as

Florida Surveyors & Mappers Week

and recognizes the many contributions and the ongoing dedication of our present-day surveyors and mappers to the citizens of Brevard County.

DONE, ORDERED AND ADOPTED, in regular session, this 21st day of March 2023.

ATTEST:

Rachel M. Sadoff, Clerk

Rita Pritchett, Chair
Board of County Commissioners
Brevard County, Florida
