### **Requested Action:**

In accordance with Section 62-2841(i) and Section 62-2844, it is requested that the Board of County Commissioners grant final plat approval and authorize the Chair to sign the final plat and contract for Pangea Park Phases 3 & 4.

### **Summary Explanation and Background:**

There are three stages of review for subdivision plan approval: the pre-application conference, the preliminary plat/final engineering plan review, and the final plat review. The pre-application conference for the above project was held on May 7, 2020. The preliminary plat and final engineering plans, which is the second stage of approval, were approved on December 21, 2020. The third stage of review is the final plat approval for recordation. The applicant is posting a performance bond and contract for guarantee of the completion of the infrastructure improvements.

Staff has reviewed the final plat and contract for the Pangea Park Phases 3 & 4, and has determined that it complies with the applicable ordinances.

Pangea Park Phase 3 & 4 is located south of Pineda Boulevard and west of Lake Andrew Drive in a DRI District designated by Brevard County's Future Land Use Map. Potable water for the subdivision will be provided by the City of Cocoa, and sewer service will be provided by Brevard County. The proposed subdivision contains 418 lots on 141.84-acres.

This approval is subject to minor engineering changes as applicable. Board approval of this project does not relieve the developer from obtaining all other necessary jurisdictional permits.
