File #: 4737, **Version:** 1

Subject:

Approval Re: Amendment to the Traffic Signal Maintenance and Compensation Agreement FM#413019-1-88-01 and Resolution with the Florida Department of Transportation (FDOT)

Fiscal Impact:

None

Dept/Office:

Public Works Department/Traffic Operations/Finance and Contracts Administration

Requested Action:

It is requested that the Board of County Commissioners approve and authorize the Chair to execute the Amendment to the Traffic Signal Maintenance and Compensation Agreement FM#413019-1-88-01 and Resolution with the Florida Department of Transportation (FDOT) and approve any necessary Budget Change Requests associated with this request.

Summary Explanation and Background:

On June 3, 2015, Brevard County and Florida Department of Transportation (FDOT) entered into a Traffic Signal Maintenance and Compensation Agreement for the operation and maintenance of the traffic signals located on State roads within the unincorporated portion of Brevard County and within the municipalities that Brevard County maintains through Interlocal Agreements. On January 26, 2017, the County and FDOT entered into the Amendment to the Traffic Signal Maintenance and Compensation Agreement which superseded the June 3, 2015 Agreement.

Recently, FDOT finalized a revision to the Traffic Signal Maintenance and Compensation Agreement and has requested the County to execute the Amendment to incorporate Exhibit D - Department's Sponsorship Acknowledgment Program. Exhibit D defines the method and limits for the sponsorship acknowledgment opportunities (i.e. advertising) on FDOT's traffic signal cabinets in Brevard County. The County previously entered into agreement with On Street Media Florida, Inc. to install media on traffic signal cabinets, and that agreement is compatible with the FDOT Amendment. The County is responsible for utilizing the sponsorship funds generated from the placement on FDOT traffic signal cabinets for transportation purposes.

Clerk to the Board Instructions:

Please return the Amendment to the Traffic Signal Maintenance and Compensation Agreement and Resolution to the Public Works Department for further execution by FDOT.
