Question applies to Affordable Housing Advisory Committee

By Florida Statutes, the Affordable Housing Council must be made up of persons representing different interests and professions. Please mark all of the position(s) that you believe you could represent on the council and are interested in serving. *

- ☒ One Brevard County resident who is actively engaged as a for-profit provider of affordable housing.
- ☒ One Brevard County resident who is actively engaged as a real estate professional in connection with affordable housing.

Are you currently serving on any State, Regional or Brevard County board, council, or committees? If so please name.

No

Do you have or hold any employment or contractual relationship with any business or any agency which is subject to the regulation of or is doing business with Brevard County? If so, please explain.

No

Please explain your interests and experiences.

As a 23 year active duty veteran, with experience in firefighting, law enforcement, and the broad spectrum of operations and maintenance planning, I am applying for the opportunity to use my talents and these experiences to sustain and enhance the operations and management of this amazing county. My career in the military taught me to be a total team player, with complete focus on achieving leadership objectives in a way everyone can be proud of, and I sincerely hope to join this team, and "bring home a championship"!

Please explain your background, including education, work experience, civic or community organization memberships and positions, and any professional licenses or memberships, and how this applies to the function of the Board, Council or Committee that you are interested in serving on.

I am a systems engineer with degrees in computer science and applied electronics, as well as professional certificates in marine electronics systems, and postsecondary education, lending a depth of technical accumen and strategic messaging to any enterprise. I want to continue to serve in my new chosen community in the same dedicated way that I served in uniform. As a Control Accounts Manager for the Navy strategic weapons systems, managing 9 different work packages for both personnel allocation and budget, maintaining profitability and on-time delivery in support of the submarine force nuclear weapons program across \$154MM of government contract allocations, I will use my expertise in these management disciplines to enhance the operational efficiency of any board or committee which I might be selected to serve. As a new real estate investor and Brevard County homeowner, I want to be an active participant in our local government process to help represent people like myself; born into destitute poverty who have, through a life of diligence, discipline and service, worked to ensure their family will never experience those trials. I want to work for those who have little but their merit, so they can use their strength and dedication to achieve all the opportunities this amazing county, state and country afford them. As a former member of the US Navy Security Police and a volunteer firefighter, I understand a great deal about the challenges that first responders face, and will use those experiences to inform my work to help those who help their community at the cost of their personal safety. As a small business owner and graphic artist, I want to protect the opportunity to find your own path for entrepreneurs and artists by championing creativity and economic opportunity for people who want to build and grow a small business.

Brevard County Board of County Commissioners strives to promote diversity and provide reasonable accommodations for individuals with disabilities. If you are requesting an accommodation, please indicate below.

None
