**BOARD OF COUNTY COMMISSIONERS**

To: Jim Liesenfelt, Interim County Manager

Thru: Tad Calkins, Interim Assistant County Manager

From: Edward Fontanin, Utility Services Director

Subject: Citizen Efficiency and Effectiveness Recommendation (CEER) 2025052 & 2025053

---

CEER #2025052 & 2025053, titled water filtration, was received by the County by Bruce Kerr

**Citizen Statement:**

Water is horrid. Can't afford the amount of bottled water I must drink daily. Neighbors hesitantly bathe in this water. Some use cheap bottled water to brush their teeth.

**Citizen Recommendation:**

Water filtration plant(s) benefit obvious.

**Staff Analysis:**

The address of Mr. Kerr is located within Merritt Island, Florida. The potable water supplier for the region of Merritt Island is under the jurisdiction of the City of Cocoa. Brevard County does not provide potable water to Merritt Island. Brevard County Utility Services Department only provides sewer and reuse services on Merritt Island. This recommendation was forwarded to the City of Cocoa on 2/17/2025.

**Staff Recommended Action:**

Pursuant to BCC-95, Section III.C.2, the County Manager summarily recommends that the Board of County Commissioners rejects CEER #2025052 & #2025053 as the City of Cocoa water system is not under the Board's jurisdiction.

CC: Frank Abbate, County Manager
