I have over 10 years of experience as a real estate investor, currently owning 10 properties—all of which are leased to tenants through the Housing Choice Voucher Program (Section 8). This work has given me extensive experience serving low- and no-income tenants. From 2019 to 2022, I worked as a licensed Realtor, and I now serve as a Mortgage Lender. My professional focus is on helping working-class families achieve homeownership. Coming from a working-class background myself, I have seen firsthand how real estate ownership can create stability and build generational wealth, both for my own family and for the families I serve.
