Re: Installation of Pool, Pergola and cage enclosure
5470 Calder Drive
Melbourne, FL 32940

To Whom It May Concern;

The proposed plan by Martin Pools with a diagonal corner requires a variance of approximately 5 ft from the side/rear building restriction line to accommodate the pool and enclosure as designed. We take no objection to the variance at the diagonal corner as designed, and understand that all other setbacks will be per Code. The Hernandez family has been transparent regarding this project and fully engaged his immediate neighbors, and we understand he is collaborating in due faith with County Officials and the will comply with St Andrews Manor HOA requirements. Thank you and please reach out to me with any questions.

Respectfully,
