

INTERLOCAL AGREEMENT

Between Brevard County, Florida, and the City of Cocoa, Florida, Regarding
Improvements to and Associated Funding Requirements for Certain County Facilities
Impacted by the Developments Identified Herein

This Interlocal Agreement is made and entered into the date of last signature below by and between **BREVARD COUNTY, FLORIDA**, a political subdivision of the State of Florida, hereinafter referred to as the "County," and the **CITY OF COCOA**, a Florida municipal corporation, hereinafter referred to as the "City."

WHEREAS, the County and the City were involved in litigation starting in 2004 whereby the City's annexation of certain lands was challenged by the County; and

WHEREAS, in order for the parties to reach an agreement, the County and City entered into a Stipulated Settlement Agreement on December 11, 2007, hereinafter referred to as the "Settlement Agreement", which is incorporated herein by this reference, along with other property owners, Florida Space Needle, LLC, and Barrera Shores, LLC, collectively referred to as the "Developments"; and

WHEREAS, as part of the Settlement Agreement, the County and City agreed to enter into an interlocal agreement whereby municipal service taxing unit revenues, hereinafter defined as "MSTU revenues", derived from the Developments identified in the aerial map and legal descriptions identified as **Composite Exhibit "A"**, which is attached hereto and incorporated herein by this reference, would be used for County-owned and County-maintained facilities in the immediate area, and associated intersections, impacted by the Developments, including, but not limited to, certain roadways and associated drainage functions, as well as related direct and indirect costs associated with providing such services; and

WHEREAS, certain improvements to the existing County-owned and -maintained roadway and drainage facilities will need to take place as a result of the impacts from the Developments; and

WHEREAS, pursuant to Section 125.01(1)(q), Florida Statutes, the City is authorized to and agrees to adopt an ordinance consenting to the inclusion of the areas identified in **Composite Exhibit "A"** into the County's District 1 Road and Bridge MSTU; and

WHEREAS, the County will use its best judgment to identify eligible projects and activities along the routes and associated infrastructure identified in map and list of roadways set forth in composite **Exhibit "B"**, which is incorporated herein by this reference, that have been identified as the areas impacted by the Developments.

NOW, THEREFORE, the County and City covenant and agree that they have full power and authority to enter into this Agreement and bind their respective governmental entities as follows:

Section 1 – Recitals. The above recitals are true and correct and by this reference are hereby incorporated into and made an integral part of this Agreement.

Section 2 – Statutory Authority. This Agreement shall be considered an Interlocal Agreement pursuant to authority of Florida Statutes, Chapter 163, Part 1, and shall become effective upon recording in the official records of Brevard County in accordance with Section 13 below.

Section 3 – Establishment and Collection of MSTU.

I. Within sixty (60) days of the effective date of this Agreement, the City shall adopt an ordinance consenting to the inclusion of the entire territory of the Developments identified in **Exhibit “A”** into Brevard County’s District 1 Road and Bridge MSTU for a term of 30 years and will be automatically renewed. The County shall be responsible for establishing and governing the assessment of the MSTU for the aforementioned territory at a rate equal to the County’s District 1 Road and Bridge MSTU as adopted annually with and as a part the County’s annual budget. The ordinance shall be effective for the duration of this Agreement.

II. The City acknowledges that by opting into the MSTU, it cannot levy an annual ad valorem millage rate that would exceed the ten (10) mill cap for municipal purposes when combined with the District 1 Road and Bridge MSTU’s annual ad valorem millage rate, unless otherwise provided by law.

III. Within sixty (60) days of the effective date of this Agreement, the County shall adopt an ordinance acknowledging the inclusion of the Developments into the area encompassed by the County’s District 1 Road and Bridge MSTU. The ordinance shall be effective for the duration of this Agreement.

IV. The Tax Collector shall collect the MSTU revenues as assessed by the Brevard County Property Appraiser and remit such funds to the County. A portion of the MSTU revenues collected from the Developments shall be used to cover any reasonable administrative costs incurred and invoiced by the Tax Collector and Property Appraiser in administering this portion of the MSTU.

V. If the County’s Commission District boundaries are altered after adoption of the respective ordinances, thereby impacting the boundaries of the District 1 Road and Bridge MSTU, then the Developments will be assessed at the then-current Commission District MSTU rate of the abutting areas within the County. The parties shall take any necessary action to ensure the accurate municipal service tax rate is applied to the Developments.

Section 4 – Use of MSTU Revenue.

I. The County will use, at its sole discretion, the MSTU revenues collected from the Developments exclusively on the County-owned and County-maintained facilities directly affected by the Developments as identified in **Exhibit “B”**, as well as related direct and indirect costs associated with providing such services as permitted by law.

II. The County shall not be required to expend the revenues annually. However, any revenues collected and not expended shall be reserved and accounted for by the County for future use in accordance with Section 5 of this Agreement.

Section 5 – Accounting of Funds.

I. The County shall incorporate MSTU revenues from the Developments into the current District's MSTU account, and such revenues shall be used for projects and/or activities within the areas identified in **Exhibit “B”**.

II. The County will make available to the City a memo annually by December 31 on the expenditure of the MSTU revenues pursuant to this Agreement. The report shall also include a general summary of the amount of revenues collected and any unspent balance(s).
