BOARD OF COUNTY COMMISSIONERS

Inter-Office Memo

TO: Board of Adjustment Members

FROM: Paul Body, Senior Planner

Thru: Trina Gilliam, Planning & Zoning Manager

SUBJECT: Variance Staff Comments for Wednesday, October 15, 2025

DATE: September 18, 2025

DISTRICT 2

(25V00062) Daniel C. and Darcie Starr request a variance of Chapter 62, Article VI, Brevard County Code as follows; 1.) Section 62-2118(d)(4) to allow a dock to be located 18 in. above the seawall in an RU-1-11 (Single-Family Residential) zoning classification. This request represents the applicants' request to legitimize a new boat dock for approval of the boat dock building permit 25BC13015. The applicant states the previous dock was damaged by a hurricane and assumed he could rebuild the dock using the approximate footprint from the previous dock. The applicant also states the existing seawall is low and to keep the dock joists out of the water he raised the dock height 18 inches. There are no variances approved to dock height requirement in the immediate area. There is a code enforcement action (24CT-00319) pending with the Brevard County Planning & Development Department. If the Board approves the variance, it may want to limit its approval as depicted on the survey provided by the applicant with a date of 5/07/2025.
