STANDARDS FOR REAL ESTATE TRANSACTIONS

A. EVIDENCE OF TITLE: A title insurance commitment will be issued by a Florida licensed title insurer agreeing to issue to BUYER, upon recording of the deed to BUYER, an owner's policy of title insurance in the amount of the purchase price insuring BUYER's title to the Real Property, subject only to liens, encumbrances, exceptions or qualifications set forth in this Contract and those which shall be discharged by SELLER at or before closing. SELLER shall convey marketable title subject only to liens, encumbrances, exceptions or qualifications specified in this Contract. Marketable title shall be determined according to applicable Title Standards adopted by authority of The Florida Bar and in accordance with law. BUYER shall have 10 days from date of receiving evidence of title to examine it. If title is found defective, BUYER shall within 5 days thereafter, notify SELLER in writing specifying defect(s). If the defect(s) render title unmarketable, SELLER will have 30 days from receipt of notice to remove the defects, failing which BUYER shall, within five (5) days after expiration of the thirty (30) day period, deliver written notice to SELLER either: (1) extending the time for a reasonable period not to exceed 120 days within which SELLER shall use diligent effort to remove the defects; or (2) requesting a refund of deposit(s) paid which shall immediately be returned to BUYER. If BUYER fails to so notify SELLER, BUYER shall be deemed to have accepted the title as it then is. SELLER shall, if title is found unmarketable, use diligent effort to correct defect(s) in the title within the timeframe provided. If SELLER is unable to remove the defect(s) within such timeframe, BUYER shall either waive the defects or receive a refund of deposit(s), thereby releasing BUYER and SELLER from all further obligations under this Contract

B. SURVEY: BUYER, at BUYER's expense, within time allowed to deliver evidence of title and to examine same may have the Real Property surveyed and certified by a registered Florida surveyor. If the survey shows any encroachment upon the Real Property or that improvements located on the Real Property encroach on setback lines, easements, lands of others or violate any restrictions, covenants or any applicable governmental regulation(s), the same shall constitute a title defect.

C. INGRESS AND EGRESS: SELLER warrants and represents that there is ingress and egress to the Real Property sufficient for its intended use as described in the Warranties section of the Contract.

D. LIENS: SELLER shall furnish to BUYER at time of closing an affidavit attesting to the absence, unless otherwise provided for herein, of any financing statement, claims of lien or potential lienors known to SELLER and further attesting that there have been no improvements or repairs to the Real Property for 90 days immediately preceding date of closing. If the Real Property has been improved or repaired within that time, SELLER shall deliver releases or waivers of construction liens executed by all general contractors, subcontractors, suppliers and materialmen in addition to SELLER's lien affidavit setting forth the names of all such general contractors, subcontractors, suppliers and materialmen and further affirming that all charges for improvements or repairs which could serve as a basis for a construction lien or a claim for damages have been paid or will be paid at closing of this Contract.

E. TIME PERIOD: Time is of the essence in this Contract.

F. DOCUMENTS FOR CLOSING: SELLER shall furnish the deed, easement, bill of sale, construction lien affidavit, owner's possession affidavit, assignments of leases, tenant and mortgagee estoppel letters and corrective instruments, as applicable. BUYER shall furnish closing statement.

G. EXPENSES: Documentary stamps on the deed, if required, and recording of corrective instruments shall be paid by SELLER. BUYER will pay for the cost of recording the deed.

H. PRORATIONS; CREDITS: Taxes, assessments, rent, interest, insurance and other expenses and revenue of the Real Property shall be prorated through day before closing. BUYER shall have the option of taking over any existing policies of insurance, if assumable, in which event premiums shall be prorated. Cash at closing shall be increased or decreased as may be required by prorations. Prorations will be made through day prior to occupancy if occupancy occurs before closing. Advance rent and security deposits will be credited to BUYER and escrow deposits held by mortgagee will be credited to SELLER. Taxes shall be prorated based on the current year's tax with due allowance made for maximum allowable discount, homestead and other

exemptions. If closing occurs at a date when the current year's millage is not fixed and current year's assessment is available, taxes will be prorated based upon such assessment and the prior year's millage. If current year's assessment is not available, then taxes will be prorated on the prior year's tax. If there are completed improvements on the Real Property by January 1st of year of closing, which improvements were not in existence on January 1st of the prior year, then taxes shall be prorated based upon the prior year's millage and at an equitable assessment to be agreed upon between the parties, failing which, request will be made to the County Property Appraiser for an informal assessment taking into consideration available exemptions. Any tax proration based on an estimate shall, at request of either BUYER or SELLER, be subsequently readjusted upon receipt of tax bill on condition that a statement to that effect is in the closing statement.

I. SPECIAL ASSESSMENT LIENS: Certified, confirmed and ratified special assessment liens as of date of closing (not as of Effective Date) are to be paid by SELLER. Pending liens as of date of closing shall be assumed by BUYER. If the improvement has been substantially completed as of Effective Date, any pending lien shall be considered certified, confirmed or ratified and SELLER shall, at closing, be charged an amount equal to the last estimate of assessment for the improvement by the public body.

J. PROCEEDS OF SALE; CLOSING PROCEDURE: The deed and easement shall be recorded upon clearance of funds. If abstract of title has been furnished, evidence of title shall be continued at BUYER's expense to show title in BUYER, without any encumbrances or change which would render SELLER's title unmarketable from the date of the last evidence. Proceeds of the sale shall be held in escrow by SELLER's attorney or by another mutually acceptable escrow agent for a period of not more than 5 days after closing date. If SELLER's title is rendered unmarketable through no fault of BUYER, BUYER shall, within the 5-day period, notify SELLER in writing of the defect and SELLER shall have 30 days from date of receipt of such notification to cure the defect. If SELLER fails to timely cure the defect, all deposit(s) and closing funds shall, upon written demand by BUYER and within 5 days after demand, be returned to BUYER and, simultaneously with such repayment, BUYER shall return any personal property, vacate the Real Property and re-convey the Real Property to SELLER by County deed and bill of sale, as necessary. If BUYER fails to make timely demand for refund, BUYER shall take title as is, waiving all rights against SELLER as to any intervening defect except as may be available to BUYER by virtue of warranties contained in the deed, this Contract for Sale and Purchase, or bill of sale. The escrow and closing procedure required by this Standard shall be waived if title agent insures adverse matters pursuant to Section 627.7841, Florida Statutes, as may be amended.

K. FAILURE OF PERFORMANCE: If BUYER fails to perform this Contract within the time specified, including payment of all deposit(s), the deposit(s) paid by BUYER and deposit(s) agreed to be paid, may be retained by or for the account of SELLER as agreed upon as damages of any kind, consideration for the execution of this Contract, and in full and complete settlement of any claims by SELLER; whereupon, BUYER and SELLER shall be relieved of all obligations under this Contract. In the alternative, SELLER, at SELLER's option, may proceed in equity to enforce SELLER's rights under this Contract. If for any reason other than failure of SELLER to make SELLER's title marketable after diligent effort, SELLER fails, neglects or refuses to perform this Contract, the BUYER may seek specific performance or elect to receive the return of BUYER's deposit(s) without thereby waiving any action for damages resulting from SELLER's breach. In the event of any litigation arising out of this Contract, each party shall bear its own attorney's fees and costs. **THE PARTIES HEREBY AGREE TO WAIVE TRIAL BY JURY.** Any cause of action to enforce or interpret this Contract shall be in a court of competent jurisdiction in and for Brevard County, Florida.

L. CONVEYANCE: SELLER shall convey title to the Real Property by statutory warranty, trustee's, personal representative's or guardian's deed, as appropriate to the status of SELLER. Personal Property shall, at request of BUYER, be transferred by an absolute bill of sale with warranty of title, subject only to such matters as may be otherwise provided for herein. Any easement deed shall also be transferred subject only to such matters as may be otherwise provided for herein.

M. OTHER AGREEMENTS: No prior or present agreements or representations shall be binding upon BUYER or SELLER unless included in this Contract. No modification to or change in this Contract shall be valid or binding upon the parties unless in writing and executed by the parties hereto.

N. WARRANTY: SELLER warrants that there are no facts known to SELLER materially affecting the value of the Real Property which are not readily observable by BUYER or which have not been disclosed.
