BOARD OF COUNTY COMMISSIONERS

**TO:** Jim Liesenfelt, County Manager  
**FROM:** Morris Richardson, County Attorney   
**SUBJ:** Citizen Efficiency and Effectiveness Recommendation #2026050

---

CEER #2026050, titled *Board Reports*, was received by the County from Ms. Sandra Sullivan.

**Citizen Statement:**

*County Commissioners often give no board report.*

**Citizen Recommendation:**

*In the interest of the benefit of transparency and accountability, request county commissioners provide updates on the boards they serve on i.e. TPO, ECFRPC, etc*

**Staff Analysis:**

This CEER recommends that the Board of County Commissioners request that its individual members provide reports on their *ex officio* service on other boards. The Board of County Commissioners allows (but does not compel) individual commissioners to give such reports as they deem appropriate by including a "Board Reports" section on the agenda for each meeting. Whether and when to report on outside board service is a matter best left to the discretion and sound judgment of the individual commissioners.

**Staff Recommended Action:**

It is recommended that the Board of County Commissioners reject CEER #2026050 and leave the subject of "Board Reports" to the wisdom, prudence, discernment, and common sense of its elected members.
