12. That, if all or any part of the Property or an interest therein is sold or transferred by Mortgagor, whether voluntary or involuntary, without Mortgagee's prior

If Mortgagee exercises such option to accelerate, Mortgagee shall mail Mortgagor notice of acceleration and such notice shall provide a period of not less than 30 days from the date the notice is mailed within which Mortgagor shall pay the sums declared due. If Mortgagor fails to pay such sums prior to the expiration of such period, Mortgagee may, without further notice demand on Mortgagor, invoke any remedies permitted by this Mortgage and the Note.

13. If the Property or any part thereof shall be condemned and taken for public use under the power of eminent domain, Mortgagee shall have the right to require that all damages awarded for the taking of or damages to said Property shall be paid to Mortgagee up to the aggregate amount then unpaid on the Note and credited to the payment or payments last payable thereon.

14. That time is of the essence of this Mortgage and of the Note and no waiver of any obligation hereunder or in the Note shall at any time thereafter be held to be a waiver of the terms hereof or of the Note or other instruments secured hereby.

15. To comply with all the terms, provisions and conditions of any superior mortgage or lien encumbering the Property, including, but not limited to, those applicable to the payment of the principal and interest due under said superior mortgage or lien or deed restrictions. If Mortgagor fails to comply with each and every one of the terms, provisions, and conditions of said encumbrance, the failure to comply or default on Mortgagor's part shall constitute a default under this Mortgage and the Note shall entitle Mortgagee, at its option, to exercise any and all of its rights and remedies hereunder. If foreclosure proceedings of any superior or inferior mortgage or any senior or junior lien of any kind should be instituted, Mortgagee may, at Mortgagee's option, immediately or thereafter, declare this Mortgage and the entire indebtedness secured hereby due and payable.

16. To the extent of the indebtedness of the Mortgagor to Mortgagee described herein, or secured hereby, Mortgagee is hereby subrogated to the lien or liens and to the rights of the Developers and holders of each and every mortgage, lien or other encumbrance on the Property which is or has been paid or satisfied, in whole or in part, out of the proceeds of the Note and the respective liens of said mortgages, liens, Deed Restrictions attached to this Mortgage Agreement or other encumbrances, shall be, and the same are hereby, preserved and shall pass to and be held by the Mortgagee herein as a security for the indebtedness to Mortgagee herein described or hereby secured to

the same extent that it would have been passed to and held by Mortgagee, had it been duly and regularly assigned, transferred, set over and delivered unto Mortgagee by separate assignment, notwithstanding the fact that the same may be satisfied and canceled of record.

17. To pay all and singular the costs, charges and expenses, including reasonable attorney's fees and costs of abstracts of title, incurred or paid at any time by Mortgagee because or in the event of the failure on the part of the Mortgagor to duly, promptly and fully perform, discharge, execute, effect, complete, comply with and abide by each and every the stipulations, agreements, conditions and covenants of the Note and this Mortgage, any or either, and said costs, charges and expenses, each and every, shall be immediately due and payable whether or not there be notice, demand, attempt to collect or suit pending; then the full amount of each and every such payment shall bear interest from the date thereof until paid at the highest legal rate permitted by the laws of the State of Florida; and all said costs, charges and expenses so incurred or paid, together with such interest, shall be secured by the lien of this Mortgage. Reference herein to "reasonable attorney's fees" shall include attorney fee incurred by the Mortgagee for appellate and bankruptcy proceedings incident to any action brought hereunder or upon the Note.

18. That, if any word, clause, term, phrase or paragraph used in the Note or this Mortgage should be held to be unenforceable by any court of competent jurisdiction, the same shall not affect, alter or otherwise impair the meaning of any other word, clause, term, phrase or paragraph in the Note and Mortgage, and the same shall stand in full force and effect and shall be obligatory upon the parties hereto and the assignees, heirs and legal representatives of the parties hereto.

19. That, except for any notice required under applicable law to be given in another manner, any notice to Mortgagee provided for or given pursuant to this Mortgage shall be given by mailing such notice, postage prepaid, by United States registered or certified mail, return receipt requested, to Mortgagee's address as stated herein or in the Note secured hereby or to such other address as Mortgagee may designate, in writing, by notice to Mortgagor from time to time.

20. That all remedies provided in this Mortgage or in the Note, other instrument secured hereby or incorporated by reference herein, are distinct and cumulative to any other right or remedy under this Mortgage or such other instrument or afforded by law or equity and may be exercised concurrently, independently, or successively. The Note shall become due at the option of Mortgagee if any representation or warranty made or given by Mortgagor or otherwise made in writing in connection with the transaction evidence by this Mortgage shall prove to have been false or incorrect in any material respect as of date hereof and such defect (if curable) shall not have been cured within seven days from the date of the mailing of notice thereof to the Mortgagor.

21. That, notwithstanding anything to the contrary contained in this Mortgage or in the Note or in any other instruments securing the Note, Mortgagee may, at Mortgagee's option, declare the entire indebtedness secured hereby, together with all

interest thereon and all advances made by the Mortgagee hereunder, immediately due and payable in the event of the breach by Mortgagor of any covenant contained in this Mortgage or in the Note or, if applicable, in the Acquisition & Preservation Loan Agreement or a Construction Loan Agreement referred to in Paragraph 8. In the event of any conflict between the terms of this Mortgage and the terms of said loan agreement, the terms of the loan agreement shall prevail.

22. To collaterally assign, coincident herewith or hereafter, to Mortgagee, any lease, or leases of all or of any portions of the Property. If such assignment is made and accepted by Mortgagee, Mortgagor shall perform promptly each and every covenant and agreement of any such lease that is to be kept or performed by the Mortgagor in Mortgagor's capacity as lessor and any violation on Mortgagor's part of any covenant or agreement in any such lease or in the assignment of said lease that is to be kept or performed by Mortgagor, or any violation on Mortgagor's part of any agreement by Mortgagor set out in such Assignment of Lease, shall constitute a breach of this Mortgage and thereupon Mortgagee may, at its option, without notice, declare the Note immediately due and payable. Mortgagor will advise Mortgagee promptly of the execution hereafter of any lease of all or any part of the Property and shall, upon Mortgagee's request, submit to Mortgagee for examination and approval any such lease. If Mortgagee so requests, Mortgagor shall specifically collaterally assign such lease to Mortgagee (in form acceptable to Mortgagee) and it is agreed that the provisions of this Mortgage with regard to Mortgagor's obligations and Mortgagee's rights with respect to leases and collateral assignment of the same shall apply to all such additional leases and assignments thereof. Mortgagee may, at its option, perform any covenant or provision of any such lease for and on behalf of the Mortgagor and at the Mortgagor's expense and any amount advanced for this purpose shall bear interest at the same rate as for other advances and shall be secured by this Mortgage and shall be payable upon demand. The security interest created by the following paragraph of this Mortgage is specifically intended to cover and include all leases of the Property, together with all amendments and supplements thereto, between Mortgagor as lessor and any tenants named therein as lessees including all extended terms and all extensions and renewals of the terms thereof, as well as any amendments to or replacements of said leases, together with all the right, title and interest of Mortgagor as lessor hereunder, including, without and any tenants named therein as lessees, including all extended terms of all extensions and limiting the generality of the foregoing, the present and continuing right to make claim for, collect, receive and receipt for any and all of the rents, income, revenue, issues, profits and moneys payable as damages or in lieu of the rent, and moneys payable as the purchase price of the Property, or any part thereof, or of awards of claims for money and other sums of money payable or receivable hereunder, howsoever payable; and to bring actions and proceedings hereunder or for the enforcement thereof; and to do any and all things which Mortgagor or any lessor is or may be entitled to do under the lease, provided that the assignment made by this paragraph and the collateral assignment of lease, if any, entered into simultaneously herewith or subsequent hereto shall not impair or diminish any obligations of Mortgagor under the lease nor shall any obligations be imposed upon the Mortgagee, except at Mortgagee's option, to perform any duties or obligations imposed by the terms of the lease upon the Mortgagor as lessor in said lease. Nothing herein contained, including the acceptance of a Collateral Assignment of Lease

by Mortgagee, shall subordinate the lien of this Mortgage to such lease unless such subordination is specifically provided for herein or by separate written instrument executed by Mortgagee.

23. That, in addition to all other right, title and interest of Mortgagor granted, mortgaged, conveyed, pledged and assigned herein, or in instruments collateral hereto, Mortgagee shall have, and there is hereby created in favor of Mortgagee, a security interest in all equipment and fixtures now or hereafter attached to or used in connection with the Property, as well as any other property of Mortgagor as may be useful and necessary for operation of the Property, including, but not limited to, electrical, plumbing, heating and cooling systems, it being the intention of the parties hereto that, so far as may be permitted by law, all property of the character hereinabove described, which is now owned or is hereafter acquired by Mortgagor and is affixed, attached, or annexed to or used in connection with the Property, shall be and remain or become and constitute a portion of the Property and be subject to the lien of the security interest created by this Mortgage, together with all rents, income, revenues, issues and profits thereof and present and continuing right in the Mortgagee to make claim for, collect, receive and receipt for the same. Mortgagor will not remove, attempt to remove or permit to be removed any part of the Property, which includes items described in the security instrument referenced in Paragraph 22, without first and prior to removal thereof, having received permission in writing for such removal from Mortgagee. Mortgagor will immediately execute such Financing Statements and renewals thereof as may be periodically requested by Mortgagee. If Mortgagor fails or refuses to comply with such request, Mortgagee is irrevocably authorized to execute such documents as Mortgagee's attorney-in-fact.

24. To not use, nor knowingly permit the use of, the Property or any part thereof for any unlawful purpose or for the commission of a nuisance.

25. That neither the provisions of this Mortgage, nor of the Note, shall have the effect of or be construed as requiring or permitting the Mortgagor to pay interest in excess of the highest rate per annum allowed by the laws of the State of Florida on any item or items of indebtedness referred to in the Note or this Mortgage and, if any such excess interest be charged or paid, written notification thereof shall be given by Mortgagor to Mortgagee and such excess interest, together with interest thereon at the legal rate, shall, at Mortgagor's option, either be credited to the unpaid principal indebtedness secured hereby or reimbursed to the Mortgagor.

26. That any part of the security herein described and covered by the lien or this Mortgage may be released with or without consideration and without regard to the amount of consideration furnished without in anywise altering, varying or diminishing the force, effect or lien of this Mortgage or any renewal or extension of it, and the same shall continue as a lien on all Property not expressly released until all sums, with interest and charges hereby secured, be fully paid.

27. That the terms "hazardous waste", "hazardous substance", "disposal", "release", and "threatened release", as used in this Mortgage, shall have the same

meanings as set forth in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, 42 U.S.C. Section 9601, et. Seq., ("CERCLA"), the Superfund Amendments and Reauthorization Act of 1986, Pub. L. No. 99-499 ("SARA") the Hazardous Materials Transportation Act. 49 U.S.C. Section 6901, et. Seq., or other applicable state or federal laws, rules, or regulations adopted pursuant to any of the foregoing. Mortgagor represents and warrants to Mortgagee that: (a) during the period of Mortgagor's ownership of the Property, there has been no use, generation, manufacture, storage, treatment, disposal, release or threatened release of any hazardous waste or substance by any person on, under, or about the Property; and (b) Mortgagor has no knowledge of, or reason to believe that there has been, except as previously disclosed to and acknowledged by Mortgagee in writing, (i) any use, generation, manufacture, storage, treatment, disposal, release or threatened release of any hazardous waste or substance by any prior Developers or occupants of the Property or (ii) any actual or threatened litigation or claims of any kind by any person relating to such matters; and (c) except as previously disclosed to and acknowledged by Mortgagee in writing, (i) neither Mortgagor, nor any tenant, Developer, agent or other authorized present or future user of the Property, shall use, generate, manufacture, store, treat, dispose of or release any hazardous waste or substance on, under or about the Property and (ii) any activity on the Property shall be conducted in compliance with all applicable federal, state and local laws, regulations and ordinances, including, without limitation, those laws, regulations and ordinances described above. Mortgagor authorizes Mortgagee and Mortgagee's agents to enter upon the Property to make such inspections and tests as Mortgagee may deem appropriate to determine compliance by Mortgagor and the Property with the provisions hereof. Any inspections or tests made by Mortgagee shall be for Mortgagee's purposes and benefit only and shall not be construed to create any responsibility or liability on the part of Mortgagee to Mortgagor or to any other person or entity, governmental or otherwise. The representations and warranties continued herein are based on Mortgagor's due diligence in investigating the Property for hazardous waste. Mortgagor (a) releases and waives any present or future claims against Mortgagee for indemnity or contribution if Mortgagor becomes liable for cleanup or other costs under such laws, and (b) agrees to indemnify and hold harmless Mortgagee against any and all claims, losses, liabilities, damages, penalties and expenses which Mortgagee may directly or indirectly sustain or suffer resulting from a breach of this provision or as a consequence of any use, generation, manufacture, storage, disposal, release or threatened release occurring prior or subsequent to Mortgagor's ownership or interest in the Property, whether or not the same was or should have been known to Mortgagor. The provisions of this paragraph, including the obligation to indemnify, shall survive the payment of the Note and the satisfaction and reconveyance of the lien of this Mortgage and shall not be affected by Mortgagee's acquisition of any interest in the Property, whether by foreclosure or otherwise.

28. To maintain the Property, at Mortgagor's sole expense, and make such repairs and renovations as may, during the term of this Mortgage, be required for compliance with The Americans with Disabilities Act, 42. U.S.C. 12101, et. Seq. and amendments thereto (ADA). Any notice or warning of violation or noncompliance of or with the provisions of ADA received by Mortgagor shall be sent in accordance with Paragraph 18 to Mortgagee within ten days after receipt thereof and Mortgagor shall

have a period of thirty days thereafter (unless a shorter term is imposed by the notice or warning) within which to furnish to Mortgagee a written plan and time schedule for correcting the deficiency in accordance with the requirements of ADA.

29. This Mortgage shall, at the option of the Mortgagee, secure, in addition to the debt evidenced by the Note, any other liability or liabilities owned by the Mortgagor to the Mortgagee, whether direct or indirect, secured or unsecured, contingent or fixed, now due or to become due, or which may hereafter be contracted by virtue of any advances, disbursements, payments, charges or costs made or incurred by the Mortgagee under the terms of this Mortgage or any other instrument including, but not by way of limitation, promissory notes, guaranties, financing statements, security agreements, endorsements and overdrafts, though the aggregate outstanding amount at any time may exceed the amount originally secured hereby. Mortgagee shall be entitled to receive and retain the full amount of the debt evidenced by the Note and the other liabilities herein described in any action for foreclosure, redemption by the Mortgagor, accounting for the proceeds of a foreclosure sale, accounting for insurance proceeds or condemnation award.

30. To waive and renounce to the extent permitted by law any and all homestead and exemption rights Mortgagor may now or hereafter have as against the payment of the obligation evidenced or secured hereby, or any portion thereof, or any other obligation or damage that may accrue to Mortgagee's benefit under the terms of the Note and this Mortgage.

31. To pay to Mortgagee a transfer fee each time the legal or beneficial title to the Property is conveyed or assigned. The amount of such fee will be a specified amount or a percent of the principal balance remaining unpaid on the Note at the time of conveyance or assignment, except that such transfer fee shall not exceed one percent of the then principal balance or \$300.00, whichever is greater. The collection of a transfer fee shall not be construed as authorizing the assumption of this Mortgage other than as provided hereinabove.

32. That Mortgagee shall not be responsible or liable to anyone other than the Mortgagor for Mortgagee's disbursement of or failure to disburse the funds or any part thereof evidenced by the Note, and no third party, including any creditor or subrogate of the Mortgagor, shall have any claim or right against the Mortgagee under this Mortgage or the Note for Mortgagee's administration of disbursement, nor shall the Mortgagee be liable for the manner in which any disbursements under this Mortgage or the Note may be applied or misapplied by the Mortgagor.

33. In this Mortgage and the Note, the singular shall include the plural and the masculine shall include the feminine and neuter. Whenever the term Mortgagor is used herein, it shall include corporate and individual mortgagors, their heirs, personal representatives, trustees in dissolution, assigns and successors in interest in title to the Property.

35. Mortgagee and Mortgagor hereby knowingly, voluntarily, and intentionally waive the right either may have to a trial by jury in respect to any litigation based hereon, or arising out of, under or in connection with this Mortgage and any agreement contemplated to be executed in conjunction herewith, or any course of conduct, course of dealing, statements (whether verbal or written) or action of either party. This provision is a material inducement for Mortgagee entering into this transaction with Mortgagor.

Upon fulfillment of the terms of this Mortgage, at the end of twenty-five years from the date of this note, this note shall be extinguished in full.

THIS NOTE is secured by a Mortgage dated the _____ herewith and is to be construed and enforced according to the laws of the State of Florida; upon violation of the terms of the Mortgage and this note, the whole sum of the principal Failure to exercise this option by Brevard County shall not constitute a waiver of the right to exercise the same in the event of subsequent default.

A default shall be the occurrence of any of the following events, and upon that occurrence the Lender may, at the Lender's option, declare all sums secured by the Mortgage to be immediately due and payable.

1. Nonperformance by the Borrower of any covenant, agreement, term, or condition of the Mortgage, or of the Note, or of any other agreement made by the Borrower with the Lender in connection with such indebtedness, after the Borrower has been given due notice, as described hereafter, by the Lender of such nonperformance;

2. Failure of the Borrower to perform any covenant, agreement, term, or condition in any instrument creating a lien upon the mortgaged property, or any part thereof, which shall have priority over the lien of the Mortgage;

3. The Lender's discovery of the Borrower's failure in any application of the Borrower to the Lender to disclose any fact deemed by the Lender to be material, or the making therein, or in any of the agreements entered into by the Borrower with the Lender (including, but not limited to, the Note and Mortgage) of any misrepresentation by, on behalf of, or for the benefit of the Borrower; and

4. If property does not remain the principal residence of the Borrower, or if all or any part of the property or an interest therein is rented, leased, sold, or transferred by the Borrower.

OPTION OF LENDER UPON THE EVENT OF A DEFAULT: Upon the occurrence of a default, the Lender shall send, or hand deliver the Notice to the Borrower as is provided in Section XIII of the Rental Housing Home Agreement, specifying:

1. The breach;
2. The action required to cure such breach; and
3. A date not less than thirty days from the date the Notice is hand delivered or mailed to the Borrower by which such breach must be cured.

If the default is not cured on or before the date specified in the Notice, the Lender, at the Lender's option, may declare all of the sums secured by the Mortgage to be immediately due and payable without further demand.

The Lender shall give prior written notice of acceleration or default under the subordinate lien to the Mortgage Holder.

All sums repaid under the terms of this Agreement shall be paid to Brevard County Board of County Commissioners in care of Housing and Human Services Department.

This LAND USE RESTRICTION AGREEMENT (hereinafter called the Agreement) is made and entered into as of this _____ day of _____, 2025 between **Housing for Homeless, Inc.** (hereinafter called the Owner/Developer) and **Brevard County Board of County Commissioners**, a political subdivision of the State of Florida (hereinafter called the County) for property to be located at:

The West 103.22 feet of the East 1,108.66 feet pf Tract 7, ATKINSONS SUBDIVISION, according to the plat thereof, as recorded in Plat Book 9, page 35, public records of Brevard County, Florida, LESS the South 20 feet for the right of way of Paradise Lane.

a/k/a: 1526 Paradise Lane, Cocoa, FL 32922

PREAMBLE

WHEREAS, the County has agreed under certain conditions to issue a deferred payment loan using Brevard County HOME Investment Partnership (HOME) funds to provide financing for acquisition and preservation of affordable rental housing for households whose income is at or below **fifty** percent of Area Median Income, located at the address to be occupied by eligible households as described in Section II of the Rental Housing HOME Agreement signed on _____; and

WHEREAS, in addition to any other requirements the County may impose incident to its mortgage, the **Owner** has agreed that the unit shall be leased, rented, or made available on a continuous basis for rental to low-income, and very low-income persons as described in Section II of the Rental Housing HOME Agreement signed on _____.

WHEREAS, should the **Owner** at any time disband their corporation, said property shall be transferred to another nonprofit approved by Brevard County.

NOW, THEREFORE, in consideration of the mutual covenants set forth herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the County and the **Owner** do hereby contract and agree as follows:

AGREEMENT

ARTICLE I. RENTAL HOUSING RESTRICTIONS

1.1 Occupancy

The housing unit must be set-aside for households who upon initial occupancy of the unit must have annual gross incomes at or below **fifty** percent Area Median Income for the Melbourne-Titusville-Palm Bay Metropolitan Statistical Areas with the understanding that initial occupancy is reserved for households whose income is at or

below **fifty** percent Area Median Income for Melbourne-Titusville-Palm Bay Metropolitan Statistical Areas.

1.2 Income/Eligibility

The **Owner** shall verify and document the income of all tenants following HOME regulations. The annual income of tenants renting HOME Investment Partnership Program-assisted units must be recertified each year. In accordance with the HOME Investment Partnership Program compliance guidelines, an increase in a tenant's income of up to one hundred forty percent of the applicable limit will not result in disqualification. However, the rent will be adjusted based on the new income. At an annual or interim recertification, if a tenant of a HOME Investment Partnership Program-assisted unit realizes an increase in income that exceeds one hundred forty percent of the applicable limit, the tenant may no longer be counted toward satisfaction of the extremely low-income requirement. Each subsequent unit in the Project that becomes vacant shall be rented to an income-eligible tenant until the Project is again in compliance.

1.3 HOME Investment Partnership Program Affordability

All housing units are subject to affordability limits established for HOME Investment Partnership Program-assisted rental units on annual basis.

1.4 Long-term Affordability

The HOME Investment Partnership Program-assisted unit shall be affordable for the duration of the Agreement. The loan for the Project hereunder as to both principal and interest shall be assumable upon project sale, transfer or refinancing if the proposed Owner of the Project is an eligible nonprofit organization as approved by the County and the proposed Owner of the Project agrees to maintain all set asides and other requirements of the HOME Investment Partnership Program for the period originally specified.

In the event the above-stated conditions are not met, the loan for the Project hereunder as to both principal and interest shall be due in full upon the sale, transfer or refinancing of the Project.

Notwithstanding, payment of principal and interest in full, these restrictions shall remain in full force and effect for the term of this Agreement.

1.5 Housing Standards

The Rental Unit assisted with HOME Investment Partnership Program funds shall follow local code requirements for the duration of the affordability period. The **Owner** shall cooperate with the County by allowing on-site inspection of HOME assisted units for compliance with state law and local code requirements.

ARTICLE II. CONSIDERATION

The County has authorized and issued a deferred payment loan to the **Owner** as an inducement to the **Owner** to operate the units in the Project for the benefit of very

income households whose incomes are below fifty percent of Annual Median Income for the Palm Bay-Melbourne-Titusville, FL Metropolitan Statistical Area (MSA) for a period of **twenty-five years** following completion of the Project. In consideration of the issuance of the loan by the County for the foregoing purposes, the County and Owner have entered into this Agreement.

ARTICLE III. RELIANCE

In performing its duties hereunder, the County may rely upon statements and certifications of the **Owner**, believed to be genuine and to have been executed by the proper person or persons, and upon audits of the books and records of the **Owner** pertaining to occupancy of the Project. The **Owner** may rely upon certification of very low-income households reasonably believed to be genuine and to have been executed by the proper person or persons.

ARTICLE IV. TERM

This Agreement shall become effective upon its execution and shall remain in full force and effect for a period of **twenty-five years** after initial occupancy.

ARTICLE V. INSURANCE

The **Owner** shall insure the property for the full replacement cost for the duration of the Land Use Restriction Agreement. Any such policy must be issued by a company acceptable to the County, include the County as an additional insured and provide for at least thirty days' notice prior to execution. The County shall receive written notice at least thirty days to any change in insurance coverage.

ARTICLE VI. CHANGE IN INSURANCE COVERAGE

Subject to the superior rights of the holder of any first mortgage, in the event that the Project is damaged or destroyed, the **Owner** shall deposit with the County any insurance proceeds and shall promptly commence to rebuild, replace, repair, or restore the Project in such manner as is consistent with the Mortgage Note and Agreement. The County shall make any such insurance proceeds available to provide funds for such restoration work. In the event the Owner fails to commence or to complete the rebuilding, repair, replacement, or restoration of the Project after notice from the County, the County shall have the right, in addition to any other remedies granted in the Mortgage Note and Agreement or at law or in equity, to repair, restore, rebuild or replace the Project so as to prevent the occurrence of a default hereunder.

ARTICLE VII. SALE, TRANSFER OR REFINANCING OF THE PROJECT

The loan for the Project hereunder as to both principal and interest shall be assumable upon project sale, transfer or refinancing if the proposed Owner of the Project is an eligible nonprofit organization as approved by the County and the proposed Owner of the Project agrees to maintain all set asides and other requirements of the HOME Investment Partnership Program for the period originally specified. In the event Owner

proposes to sell or transfer the Project, the County reserves the first right of refusal for the purchase at the current market value minus awards. Owner shall send notice to County of the Owner's intent to sell or transfer the Project via certified mail, return receipt requested. The County shall have one hundred eighty days from the date of receipt of the notice in order to provide the Owner written acceptance or refusal of the offer. Furthermore, in the event of a sale during the affordability period (voluntary or involuntary), Owner shall pay to County a proportionate amount of any equity created by the use of HOME investment as set forth in the mathematical formula contained in the County's Annual Action Plan, as may be amended.

In the event the above-stated conditions are not met, the loan for the Project hereunder as to both principal and interest shall be due in full upon the sale, transfer or refinancing of the Project.

Notwithstanding, payment of principal and interest in full, these restrictions shall remain in full force and effect for the term of this Agreement.

ARTICLE VIII. ENFORCEMENT

Upon the occurrence of a default, the County shall notify the Owner of such default, specifying:

1. The breach; and
2. The action required to cure such breach; and
3. A date not less than thirty days from the date the Notice is hand delivered or mailed to the Borrower by which such breach must be cured.

If the default is not cured on or before the date specified in the Notice, the County, at the County's option, may declare all of the sums secured by the Mortgage to be immediately due and payable without further demand.

The County shall give prior written notice of acceleration or default under the subordinate lien to the Mortgage Holder.

All sums repaid under the terms of this Agreement shall be paid to Brevard County Board of County Commissioners in care of Housing and Human Services Department.

ARTICLE IX. RECORDING AND FILING

Upon execution and delivery by the parties hereto, the County shall cause this Agreement and all amendments and supplements hereto to be recorded and filed in the official public records of Brevard County.

ARTICLE X. COVENANTS TO RUN WITH THE LAND

This Agreement and the covenants contained herein shall run with the land and shall bind, and the benefits shall inure to, respectively, the **Owner** and the County and their respective successors and assigns during the Term of this Agreement.

ARTICLE XI. GOVERNING LAW

This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, with respect to both substantive rights and with respect to procedures and remedies. Venue for any legal action by any party to this Agreement to interpret, construe or enforce this Agreement shall be in a court of competent jurisdiction in and for Brevard County, Florida, and any trial shall be non-jury.

ARTICLE XII. ATTORNEY'S FEES AND COSTS

In the event of any legal action to enforce the terms of this Agreement, each party shall bear its own attorney's fees and costs.

ARTICLE XIII. NOTICE AND EFFECT

Any notice required to be given hereunder shall be given by personal delivery, by registered mail or by registered expedited service at the addresses specified below or at such other addresses as may be specified in writing by the parties hereto, and any such notice shall be deemed received on the date of delivery if by personal delivery or expedited delivery service, or upon actual receipt if sent by registered mail.

24 CFR Part 85 ADMINISTRATIVE REQUIREMENTS FOR GRANTS AND COOPERATIVE AGREEMENTS; 24 CFR 85.31 REAL PROPERTY:

A. Title. Subject to the obligations and conditions set forth in this section, title to real property acquired under a grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.

B. Use. Except as otherwise provided by Federal statutes, real property will be used for the originally authorized purposes as long as needed for those purposes, and the grantee or subgrantee shall not dispose of or encumber its title or other interests.

C. Disposition. When real property is no longer needed for the originally authorized purpose, the grantee or subgrantee will request disposition instructions from the awarding agency. The instructions will provide for one of the following alternatives:

1. Retention of title. Retain title after compensating the awarding agency. The amount paid to the awarding agency will be computed by applying the awarding agency's percentage of participation in the cost of the original purchase to the fair market value of the property. However, in those situations where a grantee or subgrantee is disposing of real property acquired with grant funds and acquiring replacement real property under the same program, the net proceeds from the disposition may be used as an offset to the cost of the replacement property.

2. Sale of property. Sell the property and compensate the awarding agency. The amount due to the awarding agency will be calculated by applying the awarding agency's percentage of participation in the cost of the original purchase to the proceeds of the sale after deduction of any actual and reasonable selling and fixing-up expenses. If the grant is still active, the net proceeds from sale may be offset against the original cost of the property. When a grantee or subgrantee is directed to sell property, sales procedures shall be followed that provide for competition to the extent practicable and result in the highest possible return.

3. Transfer of title. Transfer title to the awarding agency or to a third-party designated/approved by the awarding agency. The grantee or subgrantee shall be paid an amount calculated by applying the grantee or subgrantee's percentage of participation in the purchase of the real property to the current fair market value of the property.

24 CFR PART 87 ANTI-LOBBYING:

No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or

an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendments, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

24 CFR 92.203 INCOME DETERMINATIONS:

A. The HOME program has income targeting requirements for the HOME program and the HOME projects. Each family must meet the established annual income requirements to participate as a beneficiary in any HOME program or HOME funded project.

- i. For families who are tenants in HOME-assisted housing and not receiving HOME tenant-based rental assistance, the participating jurisdiction must initially determine annual income using the method in paragraph (a)(1)(i) of this section. For subsequent income determinations during the period of affordability, the participating jurisdiction may use any one of the following methods in accordance with Section 92.252(h) :
 - (1) Examine the source documents evidencing annual income (e.g., wage statement, interest statement, unemployment compensation statement) for the family.
 - (2) Obtain from the family a written statement of the amount of the family's annual income and family size, along with a certification that the information is complete and accurate. The certification must state that the family will provide source documents upon request.
 - (3) Obtain a written statement from the administrator of a government program under which the family receives benefits, and which examines each year the annual income of the family. The statement must indicate the tenant's family size and state the amount of the family's annual income; or alternatively, the statement must indicate the current dollar limit for very low- or low-income families for the family size of the tenant and state that the tenant's annual income does not exceed this limit.
- ii. For all other families, the participating jurisdiction must determine annual income by examining the source documents evidencing annual income (e.g., wage statement, interest statement, unemployment compensation statement) for the family.

B. When determining whether a family is income eligible, the participating jurisdiction must use one of the following three definitions of "annual income:

- i. Annual income” as defined at 24 CFR 5.609 (except when determining the income of a homeowner for an owner-occupied rehabilitation project, the value of the homeowner’s principal residence may be excluded from the calculation of Net Family Assets); or
 - ii. Annual Income as reported under the Census long-form for the most recent available decennial Census. This definition includes:
 - 1. Wages, salaries, tips, commissions, etc.;
 - 2. Self-employment income from owned non-farm business, including proprietorships and partnerships;
 - 3. Farm self-employment income;
 - 4. Interest, dividends, net rental income, or income from estates or trusts;
 - 5. Social Security or railroad retirement;
 - 6. Supplemental Security Income, Aid to Families with Dependent Children, or other public assistance or public welfare programs;
 - 7. Retirement, survivor, or disability pensions; and
 - 8. Any other sources of income received regularly, including Veterans’ (VA) payments, unemployment compensation, and alimony; or
- C. Adjusted gross income as defined for purposes of reporting under Internal Revenue Service (IRS) Form 1040 series for individual Federal annual income tax purposes.

24 CFR 92.251 PROPERTY STANDARDS:

A. Housing that is constructed or rehabilitated with HOME funds must meet all applicable local codes, rehabilitation standards, ordinances, and zoning ordinance at the time of project completion. The housing must meet accessibility requirements at 24 CFR part 8, which implements Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and covered multifamily dwellings, as defined at 24 CFR 100.201, must also meet the design and construction requirements at 24 CFR 100.205, which implement the Fair Housing Act (42 U.S.C. 3601-3619).

B. An owner of rental housing assisted with HOME funds must maintain the housing in compliance with all applicable State and local housing quality standards and

code requirements and if there are no such standards or code requirements, the housing must meet the housing quality standards in 24 CFR 982.401.

24 CFR 92.252 QUALIFICATION AS AFFORDABLE HOUSING, RENTAL HOUSING:

A. The HOME-assisted units in a rental housing project must be occupied only by households that are eligible as low-income families and must meet the following requirements to qualify as affordable housing. The affordability requirements also apply to the HOME-assisted non-owner-occupied units in single-family housing purchased with HOME funds in accordance with § 92.254.

1. *Rent limitation.* HUD provides the following maximum HOME rent limits. The maximum HOME rents are the lesser of:

B. The fair market rent for existing housing for comparable units in the area as established by HUD under 24 CFR 888.111; or

C. A rent that does not exceed thirty percent of the adjusted income of a family whose annual income equals sixty five percent of the median income for the area, as determined by HUD, with adjustments for number of bedrooms in the unit. The HOME rent limits provided by HUD will include average occupancy per unit and adjusted income assumptions.

1. *Additional Rent limitations.* In rental projects with five or more HOME-assisted rental units, twenty (20) percent of the HOME-assisted units must be occupied by very low- income families and meet one of following rent requirements:

a. The rent does not exceed thirty percent of the annual income of a family whose income equals fifty percent of the median income for the area, as determined by HUD, with adjustments for smaller and larger families. HUD provides the HOME rent limits which include average occupancy per unit and adjusted income assumptions. However, if the rent determined under this paragraph is higher than the applicable rent under (a) of this section, then the maximum rent for units under this paragraph is that calculated under paragraph (a).

b. The rent does not exceed thirty percent of the family's adjusted income. If the unit receives Federal or State project-based rental subsidy and the very low-income family pays as a contribution toward rent not more than thirty percent of the family's adjusted income, then the maximum rent (i.e., tenant contribution plus project- based rental subsidy) is the rent allowable under the Federal or State project-based rental subsidy program.

2. 24 CFR Part 92.252 Subpart F *Initial rent schedule and utility allowances.* The participating jurisdiction must establish maximum monthly allowances for utilities and services (excluding telephone). The participating jurisdiction must review and approve rents proposed by the owner for unit's subject to the maximum rent limitations in paragraphs (a) or (b) of this section.

For all unit's subject to the maximum rent limitations in paragraphs (a) or (b) of this section for which the tenant is paying utilities and services, the participating jurisdiction must ensure that the rents do not exceed the maximum rent minus the monthly allowances for utilities and services.

3. *Nondiscrimination against rental assistance subsidy holders.* The owner cannot refuse to lease HOME-assisted units to a certificate or voucher holder under 24 CFR part 982— Section 8 Tenant-Based Assistance: Unified Rule for Tenant-Based Assistance under the Section 8 Rental Certificate Program and the Section 8 Rental Voucher Program or to the holder of a comparable document evidencing participation in a HOME tenant-based rental assistance program because of the status of the prospective tenant as a holder of such certificate, voucher, or comparable HOME tenant-based assistance document.

4. *Periods of Affordability.* The HOME-assisted units must meet the affordability requirements for not less than the applicable period specified in the following table, beginning after project completion. The affordability requirements apply without regard to the term of any loan or mortgage or the transfer of ownership. They must be imposed by deed restrictions, covenants running with the land, or other mechanisms approved by HUD, except that the affordability restrictions may terminate upon foreclosure or transfer in lieu of foreclosure. The participating jurisdiction may use purchase options, rights of first refusal or other preemptive rights to purchase the housing before foreclosure or deed in lieu of foreclosure to preserve affordability. The affordability restrictions shall be revived according to the original terms if, during the original affordability period, the owner of record before the foreclosure, or deed in lieu of foreclosure, or any entity that includes the former owner or those with whom the former owner has or had family or business ties, obtains an ownership interest in the project or property.

Rental Housing Activity	Minimum period of affordability in years
Rehabilitation or acquisition of existing housing per unit amount of HOME funds: Under \$15,000	5
\$15,000 to \$40,000	10
Over \$40,000 or rehabilitation involving refinancing	15
New Construction or acquisition of newly constructed housing	20

5. *Subsequent rents during the affordability period.*

a. The maximum HOME rent limits are recalculated on a periodic basis after HUD determines fair market rents and median incomes. HUD then provides the new maximum HOME rent limits to participating jurisdictions. Regardless of changes in fair market rents and in median income over time, the HOME rents for a project are not required

to be lower than the HOME rent limits for the project in effect at the time of project commitment.

b. The participating jurisdiction must provide project owners with information on updated HOME rent limits so that rents may be adjusted (not to exceed the maximum HOME rent limits in paragraph (f)(1) of this section) in accordance with the written agreement between the participating jurisdiction and the owner. Owners must annually provide the participating jurisdiction with information on rents and occupancy of HOME-assisted units to demonstrate compliance with this section.

c. Any increase in rents for HOME-assisted units is subject to the provisions of outstanding leases, and in any event, the owner must provide tenants of those units not less than 30 days prior written notice before implementing any increase in rents.

d. *Adjustment of HOME rent limits for a particular project.*

1. Changes in fair market rents and in median income over time should be sufficient to maintain the financial viability of a project within the HOME rent limits in this section.

2. HUD may adjust the HOME rent limits for a project, only if HUD finds that an adjustment is necessary to support the continued financial viability of the project and only by an amount that HUD determines is necessary to maintain continued financial viability of the project. HUD expects that this authority will be used sparingly.

e. *Tenant income.* The income of each tenant must be determined initially in accordance with Section 92.203(a)(1)(i). In addition, each year during the period of affordability the project owner must re-examine each tenant's annual income in accordance with one of the options in Section 92.203 selected by the participating jurisdiction. An owner of a multifamily project with an affordability period of ten years or more who re-examines tenant's annual income through a statement and certification in accordance with Section 92.203(a)(1)(ii), must examine the income of each tenant, in accordance with Section 92.203(a)(1)(i), every sixth year of the affordability period. Otherwise, an owner who accepts the tenant's statement and certification in accordance with § 92.203(a)(1)(ii) is not required to examine the income of tenants in multifamily or single-family projects unless there is evidence that the tenant's written statement failed to completely and accurately state information about the family's size or income.

f. *Over-income tenants.*

1. HOME-assisted units continue to qualify as affordable housing despite a temporary noncompliance caused by increases in the

incomes of existing tenants if actions satisfactory to HUD are being taken to ensure that all vacancies are filled in accordance with this section until the noncompliance is corrected.

2. Tenants who no longer qualify as low-income families must pay as rent the lesser of the amount payable by the tenant under State or local law or thirty percent of the family's adjusted income, except that tenants of HOME-assisted units that have been allocated low-income housing tax credits by a housing credit agency pursuant to section 42 of the Internal Revenue Code of 1986 (26 U.S.C. 42) must pay rent governed by section 42. In addition, in projects in which the HOME units are designated as floating pursuant to paragraph (j), tenants who no longer qualify as low-income are not required to pay as rent an amount that exceeds the market rent for comparable, unassisted units in the neighborhood.

g. *Fixed and floating HOME units.* In a project containing HOME-assisted and other units, the participating jurisdiction may designate fixed or floating HOME units. This designation must be made at the time of project commitment. Fixed units remain the same throughout the period of affordability. Floating units are changed to maintain conformity with the requirements of this section during the period of affordability so that the total number of housing units meeting the requirements of this section remains the same, and each substituted unit is comparable in terms of size, features, and number of bedrooms to the originally designated HOME-assisted unit.

24 CFR 92.253 TENANT AND PARTICIPANT PROTECTIONS

2. Treatment of property. Agreement by the tenant that the owner may take, hold, or sell personal property of household members without notice to the tenant and a court decision on the rights of the parties. The owner may dispose of this personal property in accordance with State law;

3. Excusing owner from responsibility. Agreement by the tenant not to hold the owner or the owner's agents legally responsible for any action or failure to act, whether intentional or negligent;

6. Waiver of a jury trial. Agreement by the tenant to waive any right to a trial by jury;
7. Waiver of right to appeal court decision. Agreement by the tenant to waive the tenant's right to appeal, or to otherwise challenge in court, a court decision in connection with the lease; and
8. Tenant chargeable with cost of legal actions regardless of outcome.

24 CFR 92.254(a)(2)(i) AFFORDABLE HOUSING:

For single family homes that are newly constructed and/or acquired in standard condition (that is, the property meets local codes and standards without additional rehabilitation), the low-income buyer's purchase price cannot exceed 95 percent of the median purchase price for the area (24 CFR 92.254(a)(2)(i)).

24 CFR 92.257 FAITH-BASED ORGANIZATIONS:

Faith-based organizations and churches are eligible to participate in the HOME program. The following conditions must be followed:

It is acceptable for an organization's Board of Directors to be selected based on religious practice and that religious references in its mission statement and other governing documents are acceptable.
- C. Discrimination based on religious affiliation is prohibited. The Developer and his/her agent(s), as applicable) must serve all eligible beneficiaries without regard to religion and may not restrict HOME-assisted housing to people of a particular religion or religious denomination. In addition, the eligibility of an applicant cannot be reliant on the applicant's participation in religious activities or programs supported by the religious organization (even if funded with other non-Federal sources).
- D. 24 CFR Disposition of real property after the term of the grant, is subject to government-wide regulations governing real property disposition.

92.300 SET-ASIDE FOR COMMUNITY HOUSING DEVELOPMENT ORGANIZATIONS (CHDO)

A. Within twenty-four months after HUD notifies the participating jurisdiction of HUD's execution of the HOME Investment Partnerships Agreement, the participating jurisdiction must reserve not less than fifteen percent of the HOME allocation for investment only in housing to be developed, sponsored, or owned by community housing development organizations. For a State, the HOME allocation includes funds reallocated under Section 92.451(c)(2)(i) and, for a unit of general local government, funds transferred from a State under Section 92.102(b). The funds are reserved when a participating jurisdiction enters into a written agreement with the community housing development organization. The funds must be provided to a community housing development organization, its subsidiary, or a partnership of which it or its subsidiary is the managing general partner. If a CHDO owns the project in partnership, it or its wholly owned for-profit or non-profit subsidiary must be the managing general partner. In acting in any of the capacities specified, the community housing development organization must have effective project control. In addition, a community housing development organization, in connection with housing it develops, sponsors, or owns with HOME funds provided under this section, may provide direct homeownership assistance (e.g., down payment assistance) and not be considered a subrecipient.

B. The participating jurisdiction determines the form of assistance, e.g., grant or loan, that the community housing development organization receives and whether any proceeds must be returned to the participating jurisdiction or may be retained by the community housing development organization. While the proceeds the participating jurisdiction permits the community housing development organization to retain are not subject to the requirements of this part, the participating jurisdiction must specify in the written agreement with the community housing development organization whether they are to be used for HOME-eligible or other housing activities to benefit low-income families. However, funds recaptured because housing no longer meets the affordability requirements under Section 92.254(a)(5)(ii) are subject to the requirements of this part in accordance with Section 92.503.

C. Each participating jurisdiction must make reasonable efforts to identify community housing development organizations that are capable, or can reasonably be expected to become capable, of carrying out elements of the jurisdiction's approved consolidated plan and to encourage such community housing development organizations to do so. If during the first twenty-four months of its participation in the HOME Program a participating jurisdiction cannot identify a sufficient number of capable community housing development organizations, up to twenty percent of the minimum community housing development organization set aside of 15 percent specified in paragraph (a) of this section, above, (but not more than \$150,000 during the twenty-four month period) may be committed to develop the capacity of community housing development organizations in the jurisdiction.

D. Up to ten percent of the HOME funds reserved under this section may be used for activities specified under Section 92.301.

E. HOME funds required to be reserved under this section are subject to reduction, as provided in Section 92.500(d).

F. If funds for operating expenses are provided under Section 92.208 to a community housing development organization that is not also receiving funds under paragraph (a) of this section for housing to be developed, sponsored or owned by the community housing development organization, the participating jurisdiction must enter into a written agreement with the community housing development organization that provides that the community housing development organization is expected to receive funds under paragraph (a) of this section within twenty-four months of receiving the funds for operating expenses, and specifies the terms and conditions upon which this expectation is based.

G. Limitation on community housing development organization operating funds. A community housing development organization may not receive HOME funding for any fiscal year in an amount that provides more than 50 percent or \$50,000, whichever is greater, of the community housing development organization's total operating expenses in that fiscal year. This also includes organizational support and housing education provided under section 233(b)(1), (2), and (6) of the Act, as well as funds for operating expenses provided under Section 92.208.

24 CFR 92.301 PROJECT-SPECIFIC ASSISTANCE TO COMMUNITY HOUSING DEVELOPMENT ORGANIZATIONS

A. Project-specific technical assistance and site control loans.

1. General. Within the percentage specified in Section 92.300(c), HOME funds may be used by a participating jurisdiction to provide technical assistance and site control loans to community housing development organizations in the early stages of site development for an eligible project. These loans may not exceed amounts that the participating jurisdiction determines to be customary and reasonable project preparation costs allowable under paragraph (a)(2) of this section. All costs must be related to a specific eligible project or projects.

2. Allowable costs. A loan may be provided to cover project costs necessary to determine project feasibility (including costs of an initial feasibility study), consulting fees, costs of preliminary financial applications, legal fees, architectural fees, engineering fees, engagement of a development team, option to acquire property, site control and title clearance. General operational expenses of the community housing development organization are not allowable costs.

3. Repayment. The community housing development organization must repay the loan to the participating jurisdiction from construction loan proceeds or other project income. The participating jurisdiction may waive repayment of the loan, in part or in whole, if there are impediments to project development that the participating jurisdiction determines are reasonably beyond the control of the borrower.

B. Project-specific seed money loans.

1. General. Within the percentage specified in Section 92.300(c), HOME funds may be used to provide loans to community housing development organizations to cover preconstruction project costs that the participating jurisdiction determines to be customary and reasonable, including, but not limited to the costs of obtaining firm construction loan commitments, architectural plans and specifications, zoning approvals, engineering studies, and legal fees.

2. Eligible sponsors. A loan may be provided only to a community housing development organization that has, with respect to the project concerned, site control (evidenced by a deed, a sales contract, or an option contract to acquire the property), a preliminary financial commitment, and a capable development team.

3. Repayment. The community housing development organization must repay the loan to the participating jurisdiction from construction loan proceeds or other project income. The participating jurisdiction may waive repayment of the loan, in whole or in part, if there are impediments to project development that the participating jurisdiction determines are reasonably beyond the control of the community housing development organization.

24 CFR 92.352 ENVIRONMENTAL REVIEW:

The environmental effects of each activity carried out with HOME funds must be assessed in accordance with the provisions of the National Environmental Policy Act of 1969 (NEPA) and the related authorities listed in HUD's implementing regulations at 24 CFR parts 50 and 58.

A. The jurisdiction (e.g., the participating jurisdiction or State recipient) or insular area must assume responsibility for environmental review, decision-making, and action for each activity that it carries out with HOME funds, in accordance with the requirements imposed on a recipient under 24 CFR part 58. No funds may be committed to a HOME activity or project before the completion of the environmental review and approval of the request for release of funds and related certification, except as authorized by 24 CFR part 58.

B. A State participating jurisdiction must also assume responsibility for approval of requests for release of HOME funds submitted by State recipients.

C. HUD will perform the environmental review, in accordance with 24 CFR part 50, for a competitively awarded application for HOME funds submitted to HUD by an entity that is not a jurisdiction.

24 CFR 92.353 DISPLACEMENT, RELOCATION, AND ACQUISITION:

A. Minimizing displacement. Consistent with the other goals and objectives of this part, the participating jurisdiction must ensure that it has taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of a project assisted with HOME funds. To the extent feasible, residential tenants must be provided a reasonable opportunity to lease and occupy a suitable, decent, safe, sanitary, and affordable dwelling unit in the building/complex upon completion of the project.

B. Temporary relocation. The following policies cover residential tenants who will not be required to move permanently but who must relocate temporarily for the project. Such tenants must be provided:

1. Reimbursement for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporarily occupied housing and any increase in monthly rent/utility costs.

2. Appropriate advisory services, including reasonable advance written notice of:

- a. The date and approximate duration of the temporary relocation;
- b. The location of the suitable, decent, safe, and sanitary dwelling to be made available for the temporary period;
- c. The terms and conditions under which the tenant may lease and occupy a suitable, decent, safe, and sanitary dwelling in the building/complex upon completion of the project; and
- d. The provisions of paragraph (b)(1) of this section.

Relocation assistance for displaced persons: A displaced person (defined in paragraph (c)(2) of this section) must be provided relocation assistance at the levels described in, and in accordance with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) (42 U.S.C. 4201-4655) and 49 CFR part 24. A “displaced person” must be advised of his or her rights under the Fair Housing Act and, if the comparable replacement dwelling used to establish the amount of the replacement housing payment to be provided to a minority person is located in an area of minority concentration, the minority person also must be given, if possible, referrals to comparable and suitable, decent, safe, and sanitary replacement dwellings not located in such areas.

24 CFR 92.354 LABOR

A. General.

FY 2024-2025 Rental Housing SHIP Agreement
Housing for Homeless, Inc.—1526 Paradise Lane Roof and Septic Replacement

1. Every contract for the construction (rehabilitation or new construction) of housing that includes twelve or more units assisted with HOME funds must contain a provision requiring the payment of not less than the wages prevailing in the locality, as predetermined by the Secretary of Labor pursuant to the Davis-Bacon Act (40 U.S.C. 276a-276a-5), to all laborers and mechanics employed in the development of any part of the housing. Such contracts must also be subject to the overtime provisions, as applicable, of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-332).

2. The contract for construction must contain these wage provisions if HOME funds are used for any project costs in Section 92.206, including construction or no construction costs, of housing with twelve or more HOME-assisted units. When HOME funds are only used to assist homebuyers to acquire single-family housing, and not for any other project costs, the wage provisions apply to the construction of the housing if there is a written agreement with the owner or developer of the housing that HOME funds will be used to assist homebuyers to buy the housing and the construction contract covers twelve or more housing units to be purchased with HOME assistance. The wage provisions apply to any construction contract that includes a total of twelve or more HOME-assisted units, whether one or more than one project is covered by the construction contract. Once they are determined to be applicable, the wage provisions must be contained in the construction contract so as to cover all laborers and mechanics employed in the development of the entire project, including portions other than the assisted units. Arranging multiple construction contracts within a single project for the purpose of avoiding the wage provisions is not permitted.

3. Participating jurisdictions, contractors, subcontractors, and other participants must comply with regulations issued under these acts and with other Federal laws and regulations pertaining to labor standards and HUD Handbook 1344.1 (Federal Labor Standards Compliance in Housing and Community Development Programs), as applicable. Participating jurisdictions must require certification as to compliance with the provisions of this section before making any payment under such contract.

B. Volunteers. The prevailing wage provisions of paragraph (a) of this section do not apply to an individual who receives no compensation or is paid expenses, reasonable benefits, or a nominal fee to perform the services for which the individual volunteered and who is not otherwise employed at any time in the construction work. See 24 CFR part 70.

C. Sweat equity. The prevailing wage provisions of paragraph (a) of this section do not apply to members of an eligible family who provide labor in exchange for acquisition of a property for homeownership or provide labor in lieu of, or as a supplement to, rent payment.

24 CFR 92.355 LEAD BASED PAINT:

Housing assisted with HOME funds is subject to the Lead-Based Paint Poisoning Prevention Act, the Lead-Based Paint Hazard Reduction Act of 1992, and implementing regulations.

24 CFR 92.356 CONFLICT OF INTEREST:

(a) ***Applicability.*** In the procurement of property and services by participating jurisdictions, State recipients, and subrecipients, the conflict of interest provisions in 2 CFR 200.317 and 2 CFR 200.318, apply. In all cases not governed by 2 CFR 200.317 and 2 CFR 200.318, the provisions of this section apply.

(b) ***Conflicts prohibited.*** No persons described in paragraph (c) of this section who exercise or have exercised any functions or responsibilities with respect to activities assisted with HOME funds or who are in a position to participate in a decision-making process or gain inside information with regard to these activities may obtain a financial interest or financial benefit from a HOME-assisted activity, or have a financial interest in any contract, subcontract, or agreement with respect to the HOME-assisted activity, or the proceeds from such activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for one year thereafter. Immediate family ties include (whether by blood, marriage or adoption) the spouse, parent (including a stepparent), child (including a stepchild), brother, sister (including a stepbrother or stepsister), grandparent, grandchild, and in-laws of a covered person.

(c) ***Persons covered.*** The conflict of interest provisions of paragraph (b) of this section apply to any person who is an employee, agent, consultant, officer, or elected official or appointed official of the participating jurisdiction, State recipient, or subrecipient which are receiving HOME funds.

(d) ***Exceptions: Threshold requirements.*** Upon the written request of the participating jurisdiction, HUD may grant an exception to the provisions of paragraph (b) of this section on a case-by-case basis when it determines that the exception will serve to further the purposes of the HOME Investment Partnerships Program and the effective and efficient administration of the participating jurisdiction's program or project. An exception may be considered only after the participating jurisdiction has provided the following:

(1) A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict (public disclosure is considered a combination of at least two of the following: publication on the recipient's website, including social media; electronic mailings; media advertisements; public service announcements; and display in public areas such as libraries, grocery store bulletin boards, and neighborhood centers), evidence

of the public disclosure, and a description of how the public disclosure was made; and

(2) An opinion of the participating jurisdiction's or State recipient's attorney that the interest for which the exception is sought would not violate State or local law.

(e) **Factors to be considered for exceptions.** In determining whether to grant a requested exception after the participating jurisdiction has satisfactorily met the requirements of paragraph (d) of this section, HUD will consider the cumulative effect of the following factors, where applicable:

(1) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project which would otherwise not be available;

(2) Whether an opportunity was provided for open competitive bidding or negotiation;

(3) Whether the person affected is a member of a group or class of low-income persons intended to be the beneficiaries of the assisted activity, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

(4) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decision-making process with respect to the specific assisted activity in question;

(5) Whether the interest or benefit was present before the affected person was in a position as described in paragraph (c) of this section;

(6) Whether undue hardship will result either to the participating jurisdiction or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and

(7) Any other relevant considerations.

(f) **Owners and developers.**

(1) No owner, developer, or sponsor of a project assisted with HOME funds (or officer, employee, agent, elected or appointed official, or consultant of the owner, developer, or sponsor or immediate family member or immediate family member of an officer, employee, agent, elected or appointed official, or consultant of the owner, developer, or sponsor) whether private, for-profit or nonprofit (including a community housing development organization (CHDO) when acting as an owner, developer, or sponsor) may occupy a HOME-assisted affordable housing unit in a project during the required period of affordability specified in Section 92.252(d) or Section 92.254(a)(4). This provision does not apply to an individual who receives HOME funds to acquire or rehabilitate his or her principal residence or to an employee or agent of the owner or developer of a

rental housing project who occupies a housing unit as the project manager or maintenance worker.

(2) **Exceptions.** Upon written request of a housing owner or developer, the participating jurisdiction (or State recipient, if authorized by the State participating jurisdiction) may grant an exception to the provisions of paragraph (f)(1) of this section on a case-by-case basis when it determines that the exception will serve to further the purposes of the HOME program and the effective and efficient administration of the owner's or developer's HOME-assisted project. In determining whether to grant a requested exception, the participating jurisdiction shall consider the following factors:

- (i) Whether the person receiving the benefit is a member of a group or class of low-income persons intended to be the beneficiaries of the assisted housing, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;
- (ii) Whether the person has withdrawn from his or her functions or responsibilities, or the decision-making process with respect to the specific assisted housing in question;
- (iii) Whether the tenant protection requirements of Section 92.253 are being observed;
- (iv) Whether the affirmative marketing requirements of Section 92.351 are being observed and followed; and
- (v) Any other factor relevant to the participating jurisdiction's determination, including the timing of the requested exception.

24 CFR 92.503 (b) REPAYMENTS:

Repayment of any HOME funds invested in housing that does not meet the affordability requirements for the period specified or a project that is terminated before completion for whatever reason, must be repaid by the Developer back to the County.

24 CFR 92.504 PARTICIPATING JURISDICTION RESPONSIBILITIES; WRITTEN AGREEMENTS; ON-SITE INSPECTION:

A. Responsibilities. The participating jurisdiction is responsible for managing the day-to-day operations of its HOME program, ensuring that HOME funds are used in accordance with all program requirements and written agreements, and taking appropriate action when performance problems arise. The use of State recipients, subrecipients, or contractors does not relieve the participating jurisdiction of this responsibility. The performance of each contractor and subrecipient must be reviewed at least annually.

B. Executing a written agreement. Before disbursing any HOME funds to any entity, the participating jurisdiction must enter into a written agreement with that entity. Before disbursing any HOME funds to any entity, a state recipient, subrecipient, or

contractor which is administering all or a part of the HOME program on behalf of the participating jurisdiction, must also enter into a written agreement with that entity. The written agreement must ensure compliance with the requirements of this part.

C. Provisions in written agreements. The contents of the agreement may vary depending upon the role the entity is asked to assume, or the type of project undertaken. This section details basic requirements by role and the minimum provisions that must be included in a written agreement.

1. State recipient. The provisions in the written agreement between the State and a State recipient will depend on the program functions that the State specifies the State recipient will carry out in accordance with Section 92.201(b).

a. Use of the HOME funds. The agreement must describe the use of the HOME funds, including the tasks to be performed, a schedule for completing the tasks, and a budget. These items must be in sufficient detail to provide a sound basis for the State to effectively monitor performance under the agreement.

b. Affordability. The agreement must require housing assisted with HOME funds to meet the affordability requirements of Section 92.252 or Section 92.254, as applicable, and must require repayment of the funds if the housing does not meet the affordability requirements for the specified time period. iii. Program income. The agreement must state if program income is to be remitted to the State or to be retained by the State recipient for additional eligible activities.

c. Uniform administrative requirements. The agreement must require the State recipient to comply with applicable uniform administrative requirements, as described in Section 92.505.

d. Project requirement. The agreement must require compliance with project requirements in subpart F of this part, as applicable in accordance with the type of project assisted.

e. Other program requirements. The agreement must require the State recipient to carry out each activity in compliance with all Federal laws and regulations described in subpart H of this part, except that the State recipient does not assume the State's responsibilities for release of funds under Section 92.352 and the intergovernmental review process in Section 92.357 does not apply to the State recipient.

f. Affirmative marketing. The agreement must specify the State recipient's affirmative marketing responsibilities in accordance with Section 92.351, if the HOME funds received by the State recipient will be used for housing containing five or more assisted units.

g. Requests for disbursement of funds. The agreement must specify that the State recipient may not request disbursement of HOME funds under this agreement until the funds are needed for payment of

eligible costs. The amount of each request must be limited to the amount needed. Program income must be disbursed before the State recipient requests funds from the State.

h. Records and reports. The agreement must specify the particular records that must be maintained and the information or reports that must be submitted in order to assist the State in meeting its recordkeeping and reporting requirements.

i. Enforcement of the agreement. The agreement must provide for a means of enforcement of affordable housing requirements by the State or the intended beneficiaries if the State recipient will be the owner at project completion of the affordable housing. The means of enforcement may include liens on real property, deed restrictions, or covenants running with the land. The affordability requirements in Section 92.252 must be enforced by deed restriction. In addition, the agreement must specify remedies for breach of the HOME requirements. The agreement must specify that, in accordance with 24 CFR 85.43, suspension or termination may occur if the State recipient materially fails to comply with any term of the agreement. The State may permit the agreement to be terminated for convenience in accordance with 24 CFR 85.44.

j. If the State recipient provides funds to for-profit owners or developers, nonprofit owners or developers, subrecipients, homeowners, homebuyers, tenants receiving tenant-based rental assistance, or contractors who are providing services to the State recipient, the State recipient must have a written agreement with such entities which meets the requirements of this section.

k. Duration of the agreement. The duration of the agreement will depend on which functions the State recipient performs (e.g., whether the State recipient or the State has responsibility for monitoring rental projects for the period of affordability) and which activities are funded under the agreement.

i. Subrecipient. A subrecipient is a public agency or nonprofit selected by the participating jurisdiction to administer all or a portion of the participating jurisdiction's HOME Program. The agreement between the participating jurisdiction and the subrecipient must include:

l. Use of the HOME funds. The agreement must describe the use of the HOME funds, including the tasks to be performed, a schedule for completing the tasks, a budget, and the period of the agreement. These items must be in sufficient detail to provide a sound basis for the participating jurisdiction effectively to monitor performance under the agreement.

m. Program income. The agreement must state if program income is to be remitted to the participating jurisdiction or to be retained by the subrecipient for additional eligible activities.

n. Uniform administrative requirements. The agreement must require the subrecipient to comply with applicable uniform administrative requirements, as described in Section 92.505.

o. Other program requirements. The agreement must require the subrecipient to carry out each activity in compliance with all Federal laws and regulations described in subpart H of this part, except that the subrecipient does not assume the participating jurisdiction's responsibilities for environmental review under Section 92.352 and the intergovernmental review process in Section 92.357 does not apply.

p. Affirmative marketing. The agreement must specify the subrecipient's affirmative marketing responsibilities in accordance with Section 92.351, if the HOME funds administered by the subrecipient will be used for housing containing five or more assisted units.

q. Requests for disbursement of funds. The agreement must specify that the subrecipient may not request disbursement of funds under the agreement until the funds are needed for payment of eligible costs. The amount of each request must be limited to the amount needed. Program income must be disbursed before the subrecipient requests funds from the participating jurisdiction.

r. Reversion of assets. The agreement must specify that upon expiration of the agreement, the subrecipient must transfer to the participating jurisdiction any HOME funds on hand at the time of expiration and any accounts receivable attributable to the use of HOME funds.

s. Records and reports. The agreement must specify the particular records that must be maintained and the information or reports that must be submitted in order to assist the participating jurisdiction in meeting its recordkeeping and reporting requirements.

t. Enforcement of the agreement. The agreement must specify remedies for breach of the provisions of the agreement. The agreement must specify that, in accordance with 24 CFR 85.43, suspension or termination may occur if the subrecipient materially fails to comply with any term of the agreement. The participating jurisdiction may permit the agreement to be terminated for convenience in accordance with 24 CFR 85.44.

u. If the subrecipient provides HOME funds to for-profit owners or developers, nonprofit owners, or developers, subrecipients, homeowners, homebuyers, tenants receiving tenant-based rental assistance, or contractors, the subrecipient must have a written agreement which meets the requirements of this section.

2. For-profit or nonprofit housing owner, sponsor, or developer (other than single-family owner-occupant).

a. Use of the HOME funds. The agreement between the participating jurisdiction and a for-profit or non-profit housing owner, sponsor or developer must describe the use of the HOME funds, including the tasks to be performed, a schedule for completing the tasks, and a budget. These items must be in sufficient detail to provide a sound basis for the participating jurisdiction to effectively monitor performance under the agreement.

b. Affordability. The agreement must require housing assisted with HOME funds to meet the affordability requirements of Section 92.252 or Section 92.254, as applicable, and must require repayment of the funds if the housing does not meet the affordability requirements for the specified time period. If the owner or developer is undertaking rental projects, the agreement must establish the initial rents and the procedures for rent increases. If the owner or developer is undertaking homeownership projects for sale to homebuyers in accordance with Section 92.254(a), the agreement must set forth the resale or recapture requirements which must be imposed on the housing.

c. Project requirements. The agreement must require compliance with project requirements in subpart F of this part, as applicable in accordance with the type of project assisted.

d. Property standards. The agreement must require the housing to meet the property standards in Section 92.251 and the lead-based paint requirements in part thirty-five, subparts A, B, J, K, M and R of this title, upon project completion. The agreement must also require owners of rental housing assisted with HOME funds to maintain the housing in compliance with Section 92.251 for the duration of the affordability period.

e. Other program requirements. The agreement must require the owner, developer, or sponsor to carry out each project in compliance with the following requirements of subpart H of this part:

i. If the project contains 5 or more HOME-assisted units, the agreement must specify the owner or developer's affirmative marketing responsibilities as enumerated by the participating jurisdiction in accordance with Section 92.351.

ii. The federal requirements and nondiscrimination established in Section 92.350.

iii. Any displacement, relocation, and acquisition requirements imposed by the participating jurisdiction consistent with § 92.353.

iv. The labor requirements in Section 92.354.

v. The conflict-of-interest provisions prescribed in Section 92.356(f).

f. Records and reports. The agreement must specify the particular records that must be maintained and the information or reports that must be submitted in order to assist the participating jurisdiction in meeting its recordkeeping and reporting requirements.

g. Enforcement of the agreement. The agreement must provide for a means of enforcement of the affordable housing requirements by the participating jurisdiction or the intended beneficiaries. This means of enforcement may include liens on real property, deed restrictions or covenants running with the land. The affordability requirements in Section 92.252 must be enforced by deed restriction. In addition, the agreement must specify remedies for breach of the provisions of the agreement.

h. Requests for disbursement of funds. The agreement must specify that the developer may not request disbursement of funds under the agreement until the funds are needed for payment of eligible costs. The amount of each request must be limited to the amount needed.

i. Duration of the agreement. The agreement must specify the duration of the agreement. If the housing assisted under this agreement is rental housing, the agreement must be in effect through the affordability period required by the participating jurisdiction under Section 92.252. If the housing assisted under this agreement is homeownership housing, the agreement must be in effect at least until completion of the project and ownership by the low-income family.

j. Community housing development organization provisions. If the nonprofit owner or developer is a community housing development organization and is using set-aside funds under Section 92.300, the agreement must include the appropriate provisions under Section 92.300 and 92.301.

i. Contractor. The participating jurisdiction selects a contractor through applicable procurement procedures and requirements. The contractor provides goods or services in accordance with a written agreement (the contract). For contractors who are administering all or a portion of the HOME program, the contract must include at a minimum the following provisions:

k. Use of the HOME funds. The agreement must describe the use of the HOME funds, including the tasks to be performed, a schedule for completing the tasks, a budget, and the length of the agreement.

l. Program requirements. The agreement must provide that the contractor is subject to the requirements in Part 92 that are applicable to the participating jurisdiction, except Section 92.505 and 92.506 do not apply, and the contractor cannot assume the participating jurisdiction

responsibilities for environmental review, decision making, and action under Section 92.352. Where the contractor is administering only a portion of the program, the agreement must list the requirements applicable to the activities the contractor is administering.

m. Duration of agreement. The agreement must specify the duration of the agreement. Generally, the duration of a agreement should not exceed two years.

i. Homebuyer, homeowner, or tenant receiving tenant-based rental or security deposit assistance. When a participating jurisdiction provides assistance to a homebuyer, homeowner or tenant the written agreement may take many forms depending upon the nature of assistance. As appropriate, it must include as a minimum:

a. For homebuyers, the agreement must conform to the requirements in Section 92.254(a), the value of the property, principal residence, lease-purchase, if applicable, and the resale or recapture provisions. The agreement must specify the amount of HOME funds, the form of assistance, e.g., grant, amortizing loan, deferred payment loan, the use of the funds (e.g., down-payment, closing costs, rehabilitation) and the time by which the housing must be acquired.

b. For homeowners, the agreement must conform to the requirements in Section 92.254(b) and specify the amount and form of HOME assistance, rehabilitation work to be undertaken, date for completion, and property standards to be met.

c. For tenants, the rental assistance contract or the security deposit agreement must conform to Section 92.209 and 92.253.

d. On-site inspections.

3. HOME assisted rental housing. During the period of affordability, the participating jurisdiction must perform on-site inspections of HOME-assisted rental housing to determine compliance with the property standards of Section 92.251 and to verify the information submitted by the owners in accordance with the requirements of Section 92.252 no less than: every three years for projects containing one to four units; every two years for projects containing five to twenty-five units; and every year for projects containing twenty-six or more units. Inspections must be based on a sufficient sample of units.

24 CFR PART 100 DISCRIMINATORY CONDUCT UNDER THE FAIR HOUSING ACT:

This act states that the following practices are prohibited: It is unlawful to refuse to sell or rent, or to negotiate for sale or rent, based on the protected classes. It is unlawful to discriminate in terms, conditions and privileges, services, and facilities. It is unlawful to discriminate in advertisements, statements, and notices.

24 CFR 107.10:

This regulation refers to the requirements of Executive Order 11063 – that all actions necessary and appropriate be taken to prevent discrimination because of race, color, religion, sex, and national origin in the sale, rental, leasing, or other disposition of residential property and related facilities, or in the use or occupancy thereof where such property or facilities are owned or operated by Federal Government or provided with federal assistance by the Department of Housing and Urban Development, and in the lending practices with respect to residential property and related facilities of lending institutions insofar as such practices relate to loans insured, guaranteed or purchased by the Department.

24 CFR 983.57 (e) SITE SELECTION STANDARDS; NEW CONSTRUCTION:

A. A site for newly constructed housing must meet the following site and neighborhood standards:

B. The site must be adequate in size, exposure, and contour to accommodate the number and type of units proposed, and adequate utilities (water, sewer, gas, and electricity) and streets must be available to service the site.

C. The site must not be located in an area of minority concentration, except as permitted under paragraph (e)(3) of this section and must not be located in a racially mixed area if the project will cause a significant increase in the proportion of minority to non-minority residents in the area.

1. A project may be located in an area of minority concentration only if:

2. Sufficient, comparable opportunities exist for housing for minority families in the income range to be served by the proposed project outside areas of minority concentration (see paragraph (e)(3)(iii), (iv), and (v) of this section for further guidance on this criterion); or

3. The project is necessary to meet overriding housing needs that cannot be met in that housing market area (see paragraph (e) (3)(vi)) of this section for further guidance on this criterion).

4. As used in paragraph (e)(3)(i) of this section, sufficient does not require that in every locality there be an equal number of assisted units within and outside of areas of minority concentration. Rather, application of this standard should produce a reasonable distribution of assisted units each year that, over a period of several years, will approach an appropriate balance of

housing choices within and outside areas of minority concentration. An appropriate balance in any jurisdiction must be determined in light of local conditions affecting the range of housing choices available for low-income minority families and in relation to the racial mix of the locality's population.

5. Units may be considered comparable opportunities, as used in paragraph (e)(3)(i) of this section, if they have the same household type (elderly, disabled, family, large family) and tenure type (owner/renter); require approximately the same tenant contribution towards rent; serve the same income group; are located in the same housing market; and are in standard condition.

a. Application of this sufficient, comparable opportunities standard involves assessing the overall impact of HUD-assisted housing on the availability of housing choices for low-income minority families in and outside areas of minority concentration, and must take into account the extent to which the following factors are present, along with other factors relevant to housing choice:

b. A significant number of assisted housing units are available outside areas of minority concentration.

c. There is significant integration of assisted housing projects constructed or rehabilitated in the past ten years, relative to the racial mix of the eligible population.

d. There are racially integrated neighborhoods in the locality.

e. Programs are operated by the locality to assist minority families that wish to find housing outside areas of minority concentration.

f. Minority families have benefited from local activities (e.g., acquisition and write-down of sites, tax relief programs for homeowners, acquisitions of units for use as assisted housing units) undertaken to expand choice for minority families outside of areas of minority concentration.

g. A significant proportion of minority households have been successful in finding units in non-minority areas under the tenant-based assistance programs.

6. Comparable housing opportunities have been made available outside areas of minority concentration through other programs.

a. Application of the overriding housing needs criterion, for example, permits approval of sites that are an integral part of an overall local strategy for the preservation or restoration of the immediate neighborhood and of sites in a neighborhood experiencing significant private investment that is demonstrably improving the economic character of the area (a revitalizing area). An overriding housing need, however, may not serve as the basis for determining that a site is acceptable, if the only reason the need cannot otherwise be feasibly met is that

discrimination on the basis of race, color, religion, sex, national origin, age, familial status, or disability renders sites outside areas of minority concentration unavailable or if the use of this standard in recent years has had the effect of circumventing the obligation to provide housing choice.

b. The site must promote greater choice of housing opportunities and avoid undue concentration of assisted persons in areas containing a high proportion of low-income persons.

c. The neighborhood must not be one that is seriously detrimental to family life or in which substandard dwellings or other undesirable conditions predominate, unless there is actively in progress a concerted program to remedy the undesirable conditions.

d. The housing must be accessible to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services that are at least equivalent to those typically found in neighborhoods consisting largely of unassisted, standard housing of similar market rents.

e. Except for new construction, housing designed for elderly persons, travel time, and cost via public transportation or private automobile from the neighborhood to places of employment providing a range of jobs for lower-income workers, must not be excessive.

AFFIRMATIVE MARKETING:

The Developer will actively market the units to segments of the population that might otherwise not apply for the available housing. For any homeownership or rental projects that have five or more HOME-assisted units, the Developer must comply with applicable provisions of 24 CFR 92.351(a)(1). Affirmative marketing of the units must continue throughout the affordability period.

AMERICANS WITH DISABILITIES ACT (ADA) TITLE II:

ADA prohibits discrimination against persons with disabilities in all programs, activities, and services of a public entity.

AGE DISCRIMINATION:

The Age Discrimination in Employment Act of 1967 (ADEA) protects individuals who are forty years of age or older from employment discrimination based on age.

Whether private, for-profit, or non-profit (including CHDOs) may occupy a HOME assisted affordable housing unit in a project without the express written permission of the County. In addition, no officer, employee, agent, or consultant of the owner, developer, or sponsor may occupy a HOME assisted unit.

CONTRACT WORK HOURS AND SAFETY STANDARDS ACT:

This Act, as amended, must be followed by the Developer. Mechanics and laborers employed on federally assisted construction projects are paid time and one-half for work in excess of forty hours per week and provides for the payment of liquidated damages where violations occur. All required safe and healthy working conditions identified in the Act must be followed.

COPELAND (ANTI-KICKBACK) ACT (40 USC 276c):

This act governs the deductions from the paychecks that are allowable. Under this law, it is a criminal offense to induce anyone employed on a federally assisted project to relinquish any compensation to which the employee is entitled and requires all contractors to submit weekly payrolls and statements of compliance.

DAVIS BACON:

In accordance with 24 CFR 92.354 (a), for construction or rehabilitation projects with twelve or more HOME-assisted units, the requirements of the Davis-Bacon Federal Labor Act (40 USC 276a-276a-5) must be followed. The Developer must agree to the payment of not less than the wages prevailing in the locality, as predetermined by the Secretary of Labor under the Davis-Bacon Act. The Developer must also agree to contain these wage provisions in all agreement for construction for the project.

EXECUTIVE ORDER 11063 AND 12259:

Addresses equal opportunity in housing and implementing regulations at 24 CFR Part 107. These Executive Orders prohibit discrimination against individuals on the basis of race, color, religion, sex, and national origin in the sale, rental, leasing or other disposition of residential property, or in the use or occupancy of housing assisted with Federal funds.

EXECUTIVE ORDER 11246:

The Developer will not discriminate against any employee or applicant for employment because of race, color, religion, gender, or national origin.

FAIR LABOR STANDARDS ACT of 1938:

This Act, as amended, establishes the basic minimum wage for all work and requires the payment of overtime at the rate of at least time and one-half. Developers are also required to make the payment of wages for the entire time that an employee is required or permitted to work and established child labor standards.

NONDISCRIMINATION IN FEDERALLY ASSISTED PROGRAMS OF THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT-EFFECTUATION OF TITLE VI OF THE CIVIL RIGHTS ACTS OF 1964 PART 1:

The purpose of Part 1 effectuates the provisions of Title VI of the Civil Rights Act of 1964 to that end no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied benefits of, or be otherwise

subjected to discrimination under any program or activity receiving Federal financial assistance from the Department of Housing and Urban Development (HUD).

OMB CIRCULAR A-22 – COST PRINCIPLES FOR NON-PROFIT ORGANIZATIONS:

Refers to “Cost Principles for Non-Profit Organizations” as stated in the Federal Register regarding allowable costs.

SECTION 3:

Created by Housing and Urban Development Act of 1968, Section 3 applies to public and Indian housing program, housing and community development programs, and other Federal and HUD assistance. The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD financial assistance shall, to the greatest extent feasible, be directed to low-and very low-income persons, particularly those who are recipients of government assistance for housing, and to business concerns which provide economic opportunities to low and very low-income person.

SECTION 504 OF THE REHABILITATION ACT AND IMPLEMENTING REGULATIONS AT 24 CFR PART 8:

Prohibits discrimination based on disability in all programs or activities operated by recipients of Federal financial assistance.

Subpart A, Section 92.2 of the HOME Final Rule:

The Developer, if designated as a Community Development Organization (CHDO), shall meet the definition and requirements set forth by HUD.

TITLE II OF THE CIVIL RIGHTS ACT OF 1964:

Title VII prohibits employment discrimination based on race, color, religion, sex, and national origin.

(ii) The aggregate use of CDBG funds, including section 108 guaranteed loans, during a period specified by the jurisdiction, consisting of one, two, or three specific consecutive program years, shall principally benefit low- and moderate-income families in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period (see 24 CFR 570.3 for definition of “CDBG funds”); and

However, if CDBG funds are used to pay the proportion of a fee or assessment attributable to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. In addition, with respect to properties owned and occupied by moderate-income (but not low-income) families, an assessment or charge may be made against the property with respect to

(10) All activities the jurisdiction undertakes with assistance under ESG are consistent with the jurisdiction's consolidated plan; and

(11) The jurisdiction will establish and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health-care facilities, mental health facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent this discharge from immediately resulting in homelessness for these persons.
