George,

Please see the attached description in respond to the questions requested by the board in reference to what action will be taking place at the Goat rescue (24Z00026) I'm hopeful this will help clarify what's going to be taken place at the rescue location.

Re: Request to Table/Reschedule Rezoning Application – { Zoning Action 24Z00026}

Dear Planning & Zoning Review Board Members,

I am writing to respectfully request that the rezoning application currently scheduled for review on September 16th be tabled or rescheduled to the next Planning and Zoning Review Board meeting on October 14th.

The reason for this request is that we are presently revising the survey for the rezoning action to exclude the security office from the parcel being rezoned. The newly requested zoning classification does not permit structures on the affected parcel, necessitating this revision.

We will be available to attend the September 16th meeting and formally request tabling of the rezoning action if necessary. Should additional information be required, please do not hesitate to contact me or my office.

Thank you for considering our request.

Sincerely,

**Curtis J. McKinney
