South Brevard Special Recreation District	0.0275	Majority	\$1,478,432	0.0073	0.0275	\$1,478,432			
Environmentally Endangered Lands-Debt									

Note: The maximum millages listed in the chart do not contemplate rates beyond what was advertised in the TRIM notice. If the tentatively adopted millage rate is greater than the proposed rate used for the TRIM notice, each taxpayer in the jurisdiction must receive notification of the increase by first class mail at the taxing authority's expense (s. 200.065(2)(d), F.S.).
