Words importing the masculine gender include every other gender.

Words importing the singular number include the plural number, and vice versa.

SECTION 2. AUTHORITY FOR RESOLUTION. This Resolution is adopted pursuant to the provisions of the Act.

SECTION 3. FINDINGS. It is hereby ascertained, determined and declared that:

(A) The Commission has been established for the principal purpose of issuing commercial paper notes in order to provide funds to loan to public agencies, such as the Public Agency, desiring to finance the cost of acquiring, constructing and equipping capital improvements and to finance other governmental needs.

(B) In furtherance of the foregoing, the Commission shall issue, from time to time, commercial paper notes to be known as "Florida Local Government Finance Commission Pooled Commercial Paper Notes, Series A (Governmental Issue)" pursuant to the Program and shall loan the proceeds of such Series A Notes to public agencies, including the Public Agency.

(C) Pursuant to the authority of the Act, the Commission has agreed to loan, from time to time, to the Public Agency such amounts as shall be authorized herein and in the Loan Agreement in order to enable the Public Agency to finance, refinance and/or reimburse the costs of the acquisition, construction and equipping of various capital improvements, including Project A-4, and the Public Agency desires to borrow such amounts from the Commission subject to the terms and conditions of the Loan Agreement.

(D) The Public Agency desires to borrow an amount not to exceed \$34,000,000 in order to finance, on an interim basis, the acquisition, construction and equipping of the Project A-4.

(E) The Public Agency hereby determines that provision of funds by the Commission to the Public Agency in the form of the Loan pursuant to the terms of the Loan Agreement and

the financing of the Project A-4 will assist in the development and maintenance of the public welfare of the residents of the Public Agency, and shall serve a public purpose by improving the health and living conditions, and providing governmental services, facilities and programs and will promote the most efficient and economical development of such services, facilities and programs.

(F) The Loan shall be repaid solely from the Designated Revenues as provided in the Loan Agreement. The ad valorem taxing power of the Public Agency will never be necessary or authorized to make the Loan Repayments.

(G) Due to the potential volatility of the market for tax-exempt obligations such as the Note or Notes to be issued evidencing the Loan, the complexity of the transactions relating to such Note or Notes and the uniqueness of the Program, it is in the best interest of the Public Agency to deliver the Note or Notes to the Commission pursuant to the Program by a negotiated sale pursuant to Section 218.385(1), Florida Statutes, allowing the Public Agency to utilize the Program in which it participates from time to time and to enter the market at the most advantageous time, rather than at a specified advertised date, thereby permitting the Public Agency to obtain the best possible price, issuance costs and interest rate for such Note or Notes.

SECTION 4. TERMS OF LOAN. The Public Agency hereby approves of the Loan in an aggregate principal amount of not exceeding \$34,000,000 for the purposes of providing the Public Agency with sufficient funds to finance the Project A-4 on an interim basis. The Chairman and the Clerk are hereby authorized to execute, seal and deliver on behalf of the Public Agency a Loan Note or Notes and other documents, instruments, agreements and certificates necessary or desirable to effectuate the Loan as provided in the Loan Agreement. The Loan Notes shall reflect the terms of the Loan or draws made on account of the Loan and shall be substantially in the form attached to the Loan Agreement as Exhibit D. The Chairman shall determine the amount and timing of funding of the Loan in accordance with the terms of the Loan Agreement as shall be determined necessary to finance the Project A-4. The repayment schedule for the principal of the Loan or the draws made on account of the Loan shall be made in accordance with the Repayment Schedule provided in Exhibit A attached hereto and the terms of the Loan Agreement or at such other time or times as shall be determined by the Chairman and shall be permitted by the Loan Agreement. The Loan is subject to mandatory prepayment in accordance with Section 5.06 of the Loan Agreement. Draws made in regard to the Loan shall bear interest at the Loan Rate in accordance with the terms of the Loan Agreement. The Public Agency further agrees to make all Loan Repayments required of it pursuant to the terms of the Loan Agreement. The letter of credit fee with respect to the Loan shall not exceed 46 basis points and shall be determined between the Public Agency and the Bank prior to the initial draw (or Loan).

SECTION 5. AUTHORIZATION OF PROJECT A-4; REIMBURSEMENT. The Public Agency does hereby authorize Project A-4 as described herein and the financing thereof with proceeds of the Loan.

The Public Agency intends to reimburse and fund various costs and expenditures relating to the acquisition, construction and equipping of Project A-4. The Public Agency has paid for,

and/or reasonably anticipates that it will pay for, such costs and expenditures from monies on deposit in the Public Agency's solid waste system enterprise fund. It is reasonably expected that reimbursement of such costs and expenditures shall come from the proceeds of the borrowing authorized herein. The expenditures to be reimbursed shall be consistent with the Public Agency's budgetary and financial policy as being the type of expenditures which shall be paid on a long-term basis. The Public Agency shall comply with all applicable law regarding the public availability of records of official acts by public entities such as the Public Agency, including making this Resolution available for public inspection. It is the intent of the Public Agency that the purpose of this Resolution is to meet the requirements of United States Treasury Regulations Section 1.150-2 and to be a declaration of official intent under such Section.

SECTION 6. SECURITY FOR THE LOAN. The Public Agency's obligation to repay the Loan will be secured by a pledge of and lien upon the Designated Revenues in accordance with the terms of the Loan Agreement. The obligation of the Public Agency to repay the Loan shall not be deemed a pledge of the faith and credit or taxing power of the Public Agency and such obligation shall not create a lien on any property whatsoever of or in the Public Agency other than the Designated Revenues.

SECTION 7. RESOLUTION TO CONSTITUTE CONTRACT. In consideration of the making of the Loan by the Commission, this Resolution shall be deemed to be and shall constitute a contract between (i) the Public Agency and (ii) the Commission and the Bank.

SECTION 8. GENERAL AUTHORITY. The members of the Board and the officers, attorneys and other agents or employees of the Public Agency are hereby authorized to do all acts and things required of them by this Resolution and the Loan Agreement, or desirable or consistent with the requirements of this Resolution and the Loan Agreement, for the full punctual and complete performance of all the terms, covenants and agreements contained in this Resolution and the Loan Agreement, and each member, employee, attorney and officer of the Public Agency or its Board is hereby authorized and directed to execute and deliver any and all papers and instruments and to do and cause to be done any and all acts and things necessary or proper for carrying out the transactions contemplated by this Resolution and the Loan Agreement.

SECTION 9. SEVERABILITY. If any one or more of the covenants, agreements or provisions herein contained shall be held contrary to any express provision of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed separable from the remaining covenants, agreements or provisions and shall in no way affect the validity of any of the other provisions hereof.

SECTION 10. REPEAL OF INCONSISTENT RESOLUTIONS. All resolutions or parts thereof in conflict herewith are hereby superseded and repealed to the extent of such conflict.

SECTION 11. EFFECTIVE DATE. This Resolution shall take effect immediately upon its adoption.

This Resolution passed and adopted this 6th day of May, 2025.
