ARTICLE 1. AUTHORITY AND PARTIES

This Agreement is entered into by the National Aeronautics and Space Administration, John F. Kennedy Space Center, located at Kennedy Space Center, Florida 32899-0001 (hereinafter referred to as "NASA") and Brevard County, Florida, located at 1040 South Florida Avenue, Rockledge, FL 32955-2498 (hereinafter referred to as "Partner" or "County") in accordance with 42 U.S.C. § 1856a. NASA and the County may be individually referred to as a "Party" and collectively referred to as the "Parties."

ARTICLE 2. PURPOSE

This Mutual Aid Agreement (hereinafter referred to as the "Agreement") establishes the terms and conditions by which the Parties may furnish "fire protection," as defined at 42 U.S.C. §1856(b), to one another in cases of emergency or disaster that exceed the resources available under the jurisdiction of the requesting Party. "Emergency or disaster" includes fire, medical emergencies, technical rescue, releases of hazardous materials (Hazmat), natural disaster, or other emergencies as agreed upon by the Parties. The scope of this Agreement is limited to requests for assistance within the geographical areas to which the requesting Party customarily provides emergency response services.

ARTICLE 3. RESPONSIBILITIES

When requested by the other Party, NASA and the County will use reasonable efforts to perform the following tasks and other such tasks that may be required to fulfill the purpose of this Agreement. The decisions whether to provide aid in a particular instance, and if providing aid, the specific form and amount of aid provided are at the sole discretion of the Party whose aid is requested.

1. Provide firefighting vehicles and trained firefighting crews for structural, vehicle, or wild-land firefighting operations;
2. Provide emergency medical response vehicles and certified paramedics or emergency medical technician personnel to support the emergency medical services system;
3. Provide technical rescue to include confined space, high angle, and vehicular or machinery rescue operations;
4. Provide Hazmat response capability to control, contain, and/or confine Hazmat operations within the capabilities of the resources and level of training and personal protective equipment available.

All requests for aid shall be made by an authorized Technical Points of Contact representative listed in Article 16, Points of Contact, of the requesting Party to an authorized Technical Point of Contact representative of the responding Party.

ARTICLE 4. FINANCIAL OBLIGATIONS

There will be no transfer of funds between the Parties under this Agreement and each Party will fund its own participation. All activities under or pursuant to this Agreement are subject to the availability of funds, and no provision of this Agreement shall be interpreted to require obligation or payment of funds in violation of the Anti-Deficiency Act, 31 U.S.C. § 1341.

ARTICLE 5. PRIORITY OF USE

Any schedule or milestone in this Agreement is estimated based upon the Parties' current understanding of the projected availability of each Party's goods, services, facilities, or equipment. In the event that NASA's projected availability changes, Partner shall be given reasonable notice of that change, so that the schedule and milestones may be adjusted accordingly. The Parties agree that NASA's use of its goods, services, facilities, or equipment shall have priority over the use planned in this Agreement. Conversely, the Parties agree that the Partner's use of its goods, services, facilities, or equipment shall have priority over the use planned in this Agreement. Should a conflict arise, NASA in its sole discretion shall determine whether to exercise that priority with regard to NASA's goods, services, facilities, or equipment, while the Partner in its sole discretion, shall determine whether to exercise such priority with regard to the County's goods, services, facilities, or equipment. This Agreement does not

obligate NASA to seek alternative Government property or services under the jurisdiction of NASA at other locations.

ARTICLE 6. NONEXCLUSIVITY

This Agreement is not exclusive; accordingly, NASA may enter into similar agreements for the same or similar purpose with other private or public entities.

ARTICLE 7. LIABILITY AND RISK OF LOSS

Each Party hereby waives any claim against the other Party, employees of the other Party, the other Party's Related Entities (including but not limited to contractors and subcontractors at any tier, grantees, investigators, customers, users, and their contractors or subcontractor at any tier), or employees of the other Party's Related Entities for any injury to, or death of, the waiving Party's employees or the employees of its Related Entities, or for damage to, or loss of, the waiving Party's property or the property of its Related Entities arising from or related to activities conducted under this Agreement, whether such injury, death, damage, or loss arises through negligence or otherwise, except in the case of willful misconduct.
- B. Each Party further agrees to extend this cross-waiver to its Related Entities by requiring them, by contract or otherwise, to waive all claims against the other Party, Related Entities of the other Party, and employees of the other Party or of its Related Entities for injury, death, damage, or loss arising from or related to activities conducted under this Agreement. Additionally, each Party shall require that their Related Entities extend this cross-waiver to their Related Entities by requiring them, by contract or otherwise, to waive all claims against the other Party, Related Entities of the other Party, and employees of the other Party or of its Related Entities for injury, death, damage, or loss arising from or related to activities conducted under this Agreement.
- C. The County expressly retains all rights, benefits, and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Notwithstanding anything set forth in any section of this Agreement to the contrary, nothing in this Agreement shall be deemed as a waiver of the County's immunity or limits of liability beyond any statutory limited waiver of immunity or limits of liability which may have been or may be adopted by the Florida Legislature, and the cap on the amount and liability of the County for damages, regardless of the number or nature of claims in tort, equity, or contract, shall not exceed the dollar amount set by the Legislature for tort.
