Dear Mr. Moia,

As of this date, Brevard County is issuing a **Conditional Certificate of Completion**. The engineer of record has certified that the work has been constructed in conformance with the plans and specifications approved by Brevard County.

The pending items are as follows: plat recordation, survey re-inspection, and water resources re-inspection. Once these items are cleared, a final Certificate of Completion will be issued for the project referenced above.

Thank you for your cooperation in the completion of this project. Please contact me if you have any questions.

Sincerely,
