BOARD OF COUNTY COMMISSIONERS

Inter-Office Memo

TO: Board of Adjustment Members

FROM: Paul Body, Senior Planner

Thru: Trina Gilliam, Interim Planning & Zoning Manager

SUBJECT: Variance Staff Comments for Wednesday, June 18, 2025

DATE: May 19, 2025

DISTRICT 4

(25V00018) Robert Lawson and Christine Ann Bew request a variance of Chapter 62, Article VI, Brevard County Code as follows; 1.) Section 62-2118(d)(3) to allow a 1 ft. variance over the 20 ft. maximum projection allotted for a boat dock in an RU-1-11 (Single-Family Residential) zoning classification. This request represents the applicants' request to legitimize the boat dock that was constructed further than allotted by their contractor. The applicants state that the dock was built by a licensed contractor, and it exceeds what was approved under building permit 24BC10013. The request equates to a 5% deviation to what the code allows. There are two variances approved for boat dock projection requirements in the immediate area, V-3218 and V-3219. There are no code enforcement action(s) pending with the Brevard County Planning and Development Department. If the Board approves the variance, it may want to limit its approval as depicted on the survey provided by the applicant with a signed date of 02/28/2025.
