I hope this letter finds you well. This is Tyler and Amanda Housman that live at 4940 Avocado Ave. we live directly across from the structure that is being discussed. This structure in no way is a bother to us. In fact, the Sutherlands keep there property maintained immaculately .The property across the street is more maintained than most of our neighbors. We suggest any problems involving the issue at hand be dismissed by the county as this structure does not cause any harm to anyone.

For any further questions you may contact us at 321-243-5759
