Dear Commissioner Feltner,

I am writing on behalf of numerous residents of Golden Shores Blvd in Mims regarding the proposed rezoning and the removal of the existing Binding Development Plan (BDP) for the property at 4060 Golden Shores Blvd. We wish to express our strong disapproval of this rezoning initiative.

This is to be heard at the meeting on December 11, 2025. ID # 25SS00008 and ID # 25Z00037.

Current zoning: SR with a BDP

Requested Zoning: SR with removal of the existing BDP

Current future land use: RES-1

Requested future land use: Res-2

The removal of the existing BDP, along with the new land use request, is inconsistent with the current development plan and undermines the character of our community. This change sets a concerning precedent that could transform our area into a disorganized urban landscape—something many of us sought to avoid when we chose to live here.

Even with the proposed half-acre variance, this rezoning should not proceed. The Brevard County property website lists this parcel at 0.45 acres, contrary to the 0.51 acres indicated by the new survey. Additionally, the house directly behind this parcel, located at 4070 Golden Shores Blvd, has its driveway running through the proposed property, not on an easement. This situation raises significant concerns about access and impacts the actual usable acreage of the lot.

We emphasize that current zoning regulations should not be adjusted to accommodate negligence or oversight. This discussion is occurring after construction has progressed to a quarter completion due to a breakdown in the planning process. It is crucial that accountability is enforced rather than granting variances that would complicate the situation and set an undesirable precedent for other properties and builders. Notably, the contractor responsible for the construction is also the seller of the property. Given his experience building homes in the area, he should be fully aware of the zoning regulations and BDP.

Furthermore, it is important to note that alongside this property, there is another change in future land use affecting an additional 6.24 acres linked to this petition, potentially allowing

for up to 12 more homes in our area. Our community cannot support such extensive changes and strongly implores that the current BDP remains intact.

Thank you for your attention to this matter. We hope you will consider our concerns seriously and prioritize the integrity of our community.

Sincerely,
Clifford McKnight
