*This is an official communication from the McKinsey Subdivisions Settlement.*

A settlement has been reached in a class action lawsuit against McKinsey & Company, Inc., and related entities claiming that McKinsey played a central role in the opioid crisis by advising opioid manufacturers and other industry participants how to sell as many prescription opioids as possible. The lawsuit is known as In re McKinsey & Co., Inc. National Prescription Opiate Consultant Litigation, Case No. 3:21-md-02996-CRB (N.D. California). McKinsey denies plaintiffs' allegations.

Allocations to eligible subdivisions were made following the same general intrastate methodologies as applied in the national opioids settlement with Janssen Pharmaceuticals. Political subdivisions are eligible to be paid if they (a) were paid in Janssen; (b) have a population over 10,000; or (c) were litigating in McKinsey as identified by presence on Schedule A of the McKinsey settlement agreement.

The Court has ordered that Class members shall be required to use the settlement funds exclusively for approved uses designed to abate the opioid epidemic as set forth in Exhibit E ("List of Opioid Remediation Uses") of the prior MDL 2804 settlements. For complete information on the Settlement, including allocation formulas, visit the Settlement website at [www.McKinseySubdivisionClassAction.com](http://www.McKinseySubdivisionClassAction.com).

This email is to advise you that the McKinsey Subdivisions Settlement Program has initiated the payment outlined in the table below to your Subdivision in accordance with the payment instructions provided in your Payment Election Form.

BG Entity ID	State	Beneficiary Type	Beneficiary Name	Payment Type	Payment Amount	Payment Method
