

Brevard County County Commissioners
Planning & Development Dept.

I am responding to ID# 25V00067
John H. McLeod (Stacey Rosborough).

My name is Doris Andrews and I am not able to make the meeting at Viera on Wednesday November 19, 2025 at 1:30 P.M. but I would like to respond by letter.

John and I have been neighbors for almost 50 years. We both have lost our spouses and are at the point in our lives where we are planning to hand over our property to our children when the time comes.

I live on the west side of John and he has always been meticulous about the inside and outside of his property. His land is mowed weekly and his out buildings have been placed to the south of his property behind his house so they are not very visible from the road in front of both of us.

He is trying to replace 50 year old storage buildings that have started to fall apart. Placing them in the same spot they were originally.

I certainly have no complaints with ~~what~~ what he is trying to do. I am his only close neighbor so I do not see why anyone else would have a complaint in this area. If you have any questions feel free to call at 321-724-8784 Doris Andrews
