Mr. Ian Golden, Director
Brevard County Parks and Recreation Department
2725 Judge Fran Jameson Way
Viera, Florida 32940

Dear Mr. Golden:

This is a request for the Preservation Education Trust to extend their lease with Brevard County for the property located at 1219 Rockledge Drive, known as Lawndale Museum.

This organization is very familiar to me. While serving in the Florida Legislature, it was a pleasure to help them obtain a grant of \$342,000 for restoration of this historical treasure.

Visiting the museum often, one cannot help but be impressed by the excellent historical presentation and preservation of the property.

Lawndale is a perfect example of how a public/private partnership can work for the benefit of our community.

It is respectfully requested that Brevard County extend the lease of this organization for another 25 years.

Thank you for your consideration.

Sincerely,

Parks & Recreation
