III. Directives

- A. All requests for the purchase of materials and/or services, and all purchases shall be for a public purpose and not a personal benefit to a Commissioner or any employee(s) of Brevard County Board of County Commissioners and in accordance with this policy unless otherwise exempt under this policy.
- B. Purchases of materials and/or services by Commissioners or Commission Offices shall be used primarily for day to day expenses for commission offices and for the purchase of items necessary to operate their Commission Offices. Purchase of material and/or services shall not be used for any expenses that provide a personal benefit to the Commissioner.
- C. Purchase of materials and/or services by Commissioners or Commission Offices shall not be used for third party purchases or purchases whereby a third party is the recipient of the purchased item(s) and are prohibited. The term third party means anyone not an employee of the County or the County Commission Office.
- D. Any purchases of materials and/or services by a Commission Office shall be submitted for acknowledgement on a Brevard County Board of County Commissioner's Agenda in the Bill Folder.
- E. Materials or services shall be purchased by multiple-source competitive practices when available. Cooperative bidding, to include purchasing from State, and/or other authorized joint purchase agreements shall be used to reduce administrative costs for high use, consumable items.
- F. Purchasing cards will be assigned based on agency need and will be used to replace, when possible, the use of petty cash, direct payment fast entry vouchers and open/framework purchase orders.
- G. Small purchases of less than \$1000 cumulative total which are not covered under a bid agreement have no mandatory quotation or bid requirements.

- H. Every effort shall be made to solicit at least three (3) responsive and qualified sources for purchasing thresholds referenced in this section. The requisitioning approval authority, award authority and payment approval authority based on annual cumulative amounts shall be according to the thresholds below. Splitting of requisitions to circumvent competition required at established thresholds is not allowed.
1. \$1000 and up to \$25,000: Department Head via informal quote as defined in Section II.T, via formal quote, as defined in Section II.K., solicited by Purchasing Services.
 2. Up to \$50,000: Assistant County Manager with recommendation for award from the user agency and Purchasing Manager or selection committee, as appropriate, via Formal Quote/Bid/Proposal.
 3. Up to \$100,000: County Manager with recommendation for award from the user agency and Purchasing Manager or selection committee, as appropriate, via Formal Quote/Bid/Proposal.
 4. \$100,000 and above: Board of County Commissioners, with recommendation for award from the County Manager, user agency and Purchasing Manager, via Bid/Proposal/Competitive Negotiated Agreement, when not previously approved by the Board.
 5. Capital Outlay and Capital Improvements: The Budget Office will submit a detailed list of proposed capital outlay items and equipment to be included in the annual capital budget. This list will be reviewed and approved by the Board of County Commissioners during the public hearings on the annual Budget. Board approval of the Annual Budget and Capital Improvement Plan shall also serve as approval for County agencies to advertise formal solicitation of bids and proposals; and to award to the qualified bidder having the lowest, responsible and best bid for tangible items, capital improvement projects and/or equipment when funding is available and within the scope, goals and mission of the Board approved Annual Budget and Capital Improvements Plan. Because a qualified bidder with the lowest, responsible and best bid is generally entitled to an award of bid and an award of bid has been construed to constitute an enforceable agreement, this policy also constitutes authority for the Chair to sign the agreement(s) incorporated into the Request for Bid documents

or Request for Proposal, provided that agreement has been reviewed and approved by the County Manager or his designee, and approved as to form and legal content by the County Attorney's Office.

6. The Board must approve the financial terms of all agreements that 1) arise out of the acceptance of a request for proposal or 2) that are negotiated in accordance with the Consultant's Competitive Negotiation Act set forth in section 287.055, Florida Statutes or any successor statute thereto.
7. For the purposes of section 125.17, Florida Statutes, this policy authorizes the Clerk to the Board to attest to any agreements executed by the Chair in accordance with the procedures set forth in subparagraphs 4 and 5 above.
8. Approval for award by the proper authority shall act as authorization for the Purchasing Manager to release and sign a Purchase Order for the service or commodities awarded.
9. If, during a competitive bidding or selection process, the County has received a recommendation for award or reference for a particular vendor from a state and/or federal elected official, staff shall proceed as follows:
 - (a) If the award of the bid/selection is to be made by the Board of County Commissioners, copies of the local, state and/or federal elected officials' recommendations or references shall be included as part of the Agenda Item that is presented to the Board for its consideration for the award of the bid/selection.
 - (b) If the award of the bid/selection is to be made by a designee as provided for under this policy, copies of the local, state and/or elected officials recommendations or references shall be included as part of an Agenda Item that is presented to the Board for its review and consideration prior to the designee proceeding with final award of the bid/selection.
- I. Advertising Requirements: An advertisement shall be published once in a newspaper of general paid circulation which is published at least five (5) days a week in the County. The advertisement shall appear at least twenty-one (21) days prior to the last day set for the day of opening. The County Manager upon recommendation by the Purchasing Manager, may shorten the twenty-one (21) day requirement to not less than seven (7) days, based on such factors as emergency need, availability of competition, amount of the acquisition, etc. Other publications may be used in addition to this

requirement to reach selected markets. When warranted, the County Manager upon recommendation by the Purchasing Manager, may authorize advertisement, regardless of the dollar amount of the acquisition, to gain additional competition that may result in lower pricing and overall cost savings to the County.

- J. Announcement Requirements: A formal announcement shall include posting of the solicitation in various publicly accessible locations and sending the announcement to all vendors who have expressed an interest in providing those goods and services requested.
- K. In addition to other requirements as may be outlined in this policy, when not previously authorized Board approval is necessary on the following:
 - 1. Waiver of or exemption from bid requirements such as permission to purchase, or permission to quote, when the dollar amount is \$100,000 or above.
 - 2. Awards when the staff recommendation is protested by vendor(s) with standing to protest.
 - 3. Sole or proprietary source, GSA Information Technology Contracts, State Contract or other cooperative agreement procurements, as recommended by the County Manager, if \$100,000 or above.
 - 4. Awards involving a formal contract, if not expressly asked for in the original permission to bid, or not approved via the Capital Improvement Plan, including, but not limited to, such contracts as service or maintenance agreements, awards on proposals and competitive negotiated agreements, and rentals, where the award is \$100,000 or above and all other requirements are met. The award of the bid by the Board is sufficient for execution of the contract by the Chairman.
 - 5. Standardization, when determined to be more cost effective and in the best interest of the County, when \$100,000 or above. Standardization of materials, equipment, and/or services shall not be used as a means to circumvent the County's established competitive procurement practices.
 - 6. Rejection of all submitted bids or proposals \$100,000 or above.
- L. The County Manager may approve the above actions within his/her approval authority and below.
- M. The County Manager may approve awards involving a formal contract within his/her approval authority and below. This includes, but is not limited to, service or maintenance agreements, awards on proposals, and competitive negotiated agreements and consultant

agreements. Change orders to construction contracts shall follow BCC-27, Construction Contracts.

- N. Should the lowest formal bidder or quoter prove to be non-responsive to the bid specifications or non-qualified in any manner, such as financial stability, honesty, integrity, skill, business judgment, experience, facilities, and reliability, which are all necessary to insure good faith performance, the Purchasing Manager, in conjunction with the user agency recommendation, shall reject the bid or quote and award to the next lowest responsive and qualified bidder or quoter. Appropriate documentation will be maintained in the official record. Any bidder, with standing to protest such a rejection, shall be afforded the right to appear before the Board of County Commissioners, as per the protest procedures outlined in the Purchasing Manual. Formal reporting to the Board or County Manager, as applicable, of rejected bids or quotes will be made on an annual basis.
- O. Should less than three formal bids or quotes be obtained, the County Manager, the Purchasing Manager and user agency shall determine the reason for lack of competition and maintain documentation in the official record. Formal reporting to the Board or the County Manager, as applicable, will be made on an annual basis.
- P. If less than two responsive bids, proposals, or replies for commodity or contractual services purchases are received, the Purchasing Manager and User Agency may negotiate on the best pricing, terms and conditions.
- Q. The following are exempt from formal advertised bid requirements; however, a competitive environment shall be maintained where feasible:
 - 1. Emergency purchases as approved by the Board, County Manager to correct health or safety hazards or causes interruption of essential governmental service and are deemed in the best interest of the County. Those \$100,000 or above will be reported to the Board for ratification after-the-fact.
 - 2. Acquisition of land and/or space requirements (purchase, lease or rental).
 - 3. Purchases utilizing GSA IT Technology/State/Cooperative agreements.
 - 4. Sole Source or Proprietary purchases.
 - 5. Media Materials (books and film).
 - 6. Service or Maintenance Agreements provided by the original

equipment manufacturer (OEM), or an authorized service representative(s), if not other viable alternatives are available as determined by the Purchasing Manager and user agency. When repairs/services to existing equipment may not be available, nor provided by OEM, or authorized service representatives, such orders will be placed with a repair service center(s) as may be selected by the County based on factors such as cost, experience, service capabilities, stock inventory, personnel qualifications, locale, like-unit replacement during repair, and financial stability as evidenced by trade references, audited financial statements, etc., as determined by the Purchasing Manager and user agency. The acquisition of service/maintenance agreements shall comply with the acquisition requirements stated previously.

7. Usage of In-County resources, such as Roadways and Landscaping services for parking lot improvements.
 8. Acquisition of vehicles and equipment via surplus auction.

- R. Authority is delegated to the County Manager to approve and authorize equipment rentals necessary for continuation of daily operations or completion of projects with total payments of \$50,000 or less over the term of the rental agreement and the term of the rental agreement does not exceed one year. Authority is delegated to the head of the user agency to approve and authorize equipment rentals with total payments of \$5,000 or less over the term of the rental agreement.
- T. The County Manager, upon recommendation from the user

agency, will determine mandatory attendance at pre-solicitation conferences, using complexity of the solicitation, availability of competition and dollar amount as guidelines.

- U. On all solicitations, the County Manager, upon recommendation by the Risk Manager, will establish insurance requirements based on exposure to loss. Specifically, Builder's Risk will not be required for:
