TO Planning & Development Dept:

I am sorry I will not be able to attend Both meetings on Monday, March 13 2023 at 3PM and on Thursday, April 6 2023 beginning at 5PM, same location. Due to my age and state of Health, my preference is not to participate in this meetings.

Also because we don't know what Ms. Cobb is planning to do with the zoning change, we respectfully request that the zoning commission reject this reclassification.

Thank you for your kindness & understanding.

PS: Primarily, the plan is to sell this property at some future time - soon -
