Hi Jeff,

Per our previous conversatoin, please table the request for rezoning these properties so the owners have time to talk to the owners to the west of their property about acquiring an easement to connect to Golfview Ave., the north-south connector near their property. There are 3 people who would be affected and all stand to benefit. Depending on the location chosen, there may be another.

Thank you for your work up to this point. I will contact you as soon as we have learned enough to make an informed decision on the best path to move forward.
