"Automatic Aid" means and refers to the automatic dispatch of, and response by, an emergency medical services unit and/or fire suppression units to an emergency within an identified service area without the initiation of a mutual aid request. Automatic Aid shall be based on a mutually agreed upon (City and County) predefined process that results in the immediate response of emergency personnel by the

Responding Party to the scene of an emergency in the Receiving Party's jurisdiction on behalf of, or along with, the Receiving Party, without regard to municipal City or unincorporated County boundaries. The process shall be initiated through the BCFR Dispatch Center. "Receiving Party" shall mean and refer to the authority having jurisdiction of the subject emergency location within the Response Area that is receiving automatic aid pursuant to this Agreement. "Responding Party" shall mean and refer to the authority responding to the request for automatic aid pursuant to this Agreement.

- (a) Automatic Aid Response Area – The geographical area, in which the City and the County agree to provide closest unit response automatic aid, identified in Appendix A, incorporated herein by reference, which area shall be referred to as the Automated Aid Response Area (or the "Response Area") and shall consist of the identified City municipal areas and the County unincorporated areas.

Response by fire, rescue, and other support units will be the closest units of appropriate type to provide the response to the emergency incident, and will be dispatched in accordance with established fire and EMS protocols as mutually agreed upon by the fire chiefs of the County and the City, and as may be otherwise required by law. The first arriving command officer, whether County or City, will function as the incident commander. In the case where the first arriving command officer is not of the authority having jurisdiction for the area, incident command shall be transferred to the command officer of the authority having jurisdiction upon the arrival of such command officer. While providing automatic aid in the Response Area where an emergency exists, the Responding Party personnel shall be subject to the orders and directions of the officer in charge of the operations.
- (d) Service Standard - The Responding Party and Receiving Party shall utilize National Fire Protection Standard 1500, as defined in Florida Statute Section 633.508, to ensure that the Incident Command System, the Personnel

Accountability System and the 2 in/2 out standards are adhered to. Failure to comply with this service standard may be deemed to be a breach of this Agreement and cause for immediate termination, notwithstanding the notice provision set forth in Section 2.

- (e) Communication and Notification of Non-response - Should either the City or the County be unable to respond and provide automatic aid in response to an emergency call within the Response Area, the declining party shall immediately notify the BCFR Dispatch Center.
- (f) Release of Responding Party – The Responding Party will be released from an automatic aid request by the Receiving Party as soon as is appropriate either based upon operational considerations or when the Receiving Party has adequate resources on scene to mitigate the emergency, as determined by the officer in charge of the scene. SECTION 10. SEVERABILITY:

If any section, paragraph, sentence, clause, phrase, or word of this Agreement, is for any reason held by the County to be unconstitutional, inoperative, or void, such holding will not affect the remainder of this Agreement. The remainder of this Agreement shall be effective and shall remain in full force and effect, unless amended or modified by mutual consent of the parties.

SECTION 11. INDEMNIFICATION/HOLD HARMLESS:

To the extent permitted by law and subject to the limitations contained in Section 768.28, Florida Statutes, the City shall indemnify and hold harmless the County and its agents and employees from and against any and all claims, damages, losses, bodily injuries (including death), and expenses, including attorney's fees, arising out of or resulting from any services provided pursuant to this Agreement, but only to the extent such claim, damage, loss, or expense is caused in whole or in part by the negligence of the City.
