**BREVARD COUNTY SHERIFF'S OFFICE****CASE REPORT**700 S. Park Avenue
Titusville FL 32780

CASE #

2019-00282217**NARRATIVE****Section 1: Narrative**

On Friday, August 2, 2019, at approximately 0743 hours, I responded to a Burglary at the Brevard County Parks and Recreation (Victim) at Cuyler Park, 2329 Harry T Moore Ave, Mims, Brevard County, Florida.

Upon my arrival, I met with Park and Recreation Supervisor David Celli (Complainant). Mr. Celli showed me the Parks and Recreation shed that is on the northwest end of the baseball fields at Cuyler Park. He advised that Mr. Gary Floyd (Involved Person/Parks and Recreation employee) completed his work around 1430 hours on August 1, 2019 and secured all Parks and Recreation property into the shed.

Sometime between then and 0730 hours this morning (August 2, 2019), several juveniles came into the park through the northwest gate (just north of the public entrance to the park) and damaged the fence. The fence appeared to be pried or damaged from some instrument hitting the fence- causing it to bend towards the sidewalk along Harry T Moore Ave. The juveniles then made their way to the shed by the baseball field.

There is a fenced gate in front of the shed's access rolling door. The fenced gate had a lock and chain that secured the fenced gate. A chain link on the chain with the lock was cut which then allowed the juvenile suspects access to the shed's rolling door.

The shed sustained several areas of damage, including the top right and top left of the rolling garage door on the shed. In addition, the door handle on the shed's rolling door was hanging slightly from it's original location. Mr. Celli added that it appeared the juveniles had used a hammer to hit the top right and left of the rolling door and break the rolling garage handle.

Upon opening the shed, it was learned that the following items were missing/stolen from the shed:

- | | |
|---|------------|
| 1. one 2000 gray Club Car with a silver dump bed and white roof | \$6,000.00 |
| 2. two full five gallon safety tank gasoline cans, one full diesel five gallon safety tank gasoline can, and one full two and a half gallon safety gasoline tank (all red in color) | \$200.00 |
| 3. damaged front gate with Best lock and chain missing | \$1,000.00 |
| 4. one black iron t-wrench | \$20.00 |

The total approximate value of stolen and damaged property yields an estimated monetary value of \$7,220.00.

August 1 – August 2
Cuyler Park theft and vandalism

On August 2, 2019 Gary Floyd, PMT for Cuyler Park arrived at the Chain of lakes maintenance yard at approximately 7:30 AM stating that the shed at Cuyler was broken into again. The thieves took the Club Car (\$6000) 3 five gallon fuel cans filled with fuel (\$220) a 2 gallon fuel can filled with fuel (\$40) and a T Bar water shutoff tool (\$22). Upon further inspection we discovered the lock was cut off the front gate and the gate itself was rammed into and damaged causing an estimated \$1000 worth of damage. The lock from the gate in front of the maintenance shed was also cut and removed (\$20). The door to the maintenance shed also has damage to the lock and dents in the door. I estimate the damage to be \$750. Contractors have been called to repair both the gate and the shed door. Actual repair costs will be given when repairs are completed.

Our mechanic is fairly new to the position and is uncertain of the PR# to the Club Car as it was not originally assigned to that location, and he is unsure of where it was before Cuyler. Also, when the Club Car was stolen on the July 11th 2019 incident the sticker with the VIN number on it was removed by the suspects so we don't have a certain record of it.

After the break in and theft of the Club Car on July 11th we installed a motion activated hidden camera facing the front door inside the shed. The suspected thieves in the August incident were caught on this camera and the pictures were supplied to Deputy A. Eichner, ID #4150 for her investigation. The CR# for the August incident is CR#2019 – 00282217.

If I have missed any needed information please contact me.

David Celli, Parks Supervisor II
