Working Together for a Bigger Cause

Partnership Benefits:

- **The Foundation maintains a nationwide database of participants.**
- **Communities that host games will have athletes from around the nation visiting their communities, staying in hotels and utilizing local amenities.**
- **Some events are scheduled on weekdays, which increases local business during non-peak times.**

Working Together for a Bigger Cause

Partnership Benefits:

- The Foundation values our relationships with local communities and will often return to communities to host future events.
- Providing high quality sports experiences for athletes of ages, in communities throughout Florida, in central to our mission.

*Florida's sports industry creates over **\$57.4 billion** in economic impact, provides over **580,000 jobs** for its citizens, and attracts **16 million out of state visitors** every year.*
