Total: \$514,770

Justification:

This Budget Change Request is to re-establish budget for a Federal Transit Administration 5307 grant that was previously approved by the Board of County Commissioners on May 27, 2015. During budget development for Fiscal Year 2020-2021, it was thought that replacement vans that were ordered in FY 2019-2020 would be received by the fiscal year end, based on correspondence from the vehicle vendor. Due to COVID-19 related issues only three of the nine ordered were received. This budget action will re-establish the available grant funding that we were unable to expend prior to fiscal year end and increase the current budget by \$514,770.

Alternative:

If this Budget Change Request is not approved funding will not be established for this grant.
