You are receiving this email because there is a proposed zoning ordinance regarding dock requirements.

The proposed changes affect unincorporated properties within Brevard County only. The tentative schedule for the Local Planning Agency and the Board of County Commissioners to consider this item is provided below. This meeting series is subject to change if the item is tabled or staff receives other BOCC direction. All meetings are held at the Brevard County Government Complex, 2725 Judge Fran Jamieson Way, Viera, FL 32940, Building C, Room 101.
