E. RESOLUTIONS, AWARDS AND PRESENTATIONS

E.1. Memorial Resolution Val Steele

Commissioner Smith read aloud, and the Board adopted Resolution No. 20-151, recognizing the life and memory of Val Steel, and expressing sincere condolences to the Steele family; Mr. Steele served as a Brevard County Commissioner, Melbourne Beach Commissioner, Mayor, and Civic leader.

A representative for the Steele family stated he cannot think of his brother without thinking of each and every one of the Board; Val served 14 years on the County Commission, and that is a long, long, time; Val said to him it was an honor but the ones who really run the County are staff; the ones that he dedicated his life to is working with the staff; and that is the true meaning of Brevard County, the people behind the scenes, the County Manager, the Road and Bridge people, the County Attorney, and the Judges. He continued to say those are the ones that are the backbones of the County; he cannot say how happy that Scott, Tracy, and the Steele family are that Commissioner Smith did this; and he had to tell Commissioner Tobia that his brother told him when he was running against him the first time, that Tobia was the one to watch, and he is going to go a long way in politics, and it turned out to be true; and he just wanted to say thank you for everything and that the courthouse would not be here if it was not for Val Steele.

Val Steele's son stated as kids they would run up and down the County attending meetings and sitting under the desk, being handed candy bars, trying to keep them occupied; this is what his dad really enjoyed; and he thinks his dad did a good job and would be honored.

Commissioner Smith read aloud, and the Board adopted Resolution No. 20-152, recognizing November 18-25 as Farm-City Week, acknowledging and celebrating the achievements of those who produce and supply the community and nation with agricultural products.

Tom Schuller stated he wanted to thank the Board for having him there again; every year, the American Farm Bureau designates this one week out of the year, Farm-City week, to showcase agriculture and the importance of agriculture, not only to Florida, but to the world; he says every year, the folks in agriculture do a phenomenal job producing food and fiber, and watching over the resources, but they do a horrible job getting the message out; so this is the one time each year they can take a break from working and come here and let the Commissioners and the citizens know that they are out there working hard to produce the food and fiber; and if anyone has any questions about anything that is going on, please keep them in the loop by contacting their partner through the University of Florida Extension Services.

He stated he had gift bibles and inscribed in them it says "The God of Abraham, Isaac, and Jacob has called you to this sacred office you hold; the gift bible is the word of God; it is for you to use when you need to seek his face for guidance and direction"; and it is signed by Brevard Community Pastors. G.7. Kristine Zonka, Commissioner District 5, Vice Chair, Re: Report

Commissioner Zonka stated she just wanted to thank everyone for coming out to see them sworn in; she wants to thank her staff; without her staff, she would not be where she is and would not get the things accomplished without them; and she thanked her family, her husband, and Judge McKibben. She stated it was not a slight to Judge Davidson, but Judge McKibben has been a friend of hers for years and she has a tremendous amount of respect for her, and she was honored that she agreed to swear her in; Judge McKibben does so much work for Brevard families that it often goes unrecognized, but going to one of her reunification services is amazing; and she thanked the Board and residents for their faith in her to re-elect her and said it has been an honor to serve four years and she looks forward to four more.

G.3. Rita Pritchett, Commissioner District 1, Chair, Re: Report

Chair Pritchett stated that reminded her that she really thanks her staff so much as well; and it is good having good staff; there would not be much business but she did the Board assignments and two of them have to be voted on to get County staff off and running; it is good serving with four other people that have known each other for a long time and this should be easy; and she hopes the Board is happy with their appointments as she tried to keep them where they had been in the past, and where she thought they would enjoy serving.
