D.1. Announcement of the Percentage Change in the FY 2022-2023 Aggregate Tentatively Adopted Millage from the Aggregate Rolled-Back Rate

Chair Zonka called for a public hearing to consider percentage change in the FY 2022-2023 aggregate tentatively adopted millage from the aggregate rolled-back rate.

Frank Abbate, County Manager, advised this Item allows for the reading of the tentative aggregate operating millage rate to fund the portion of the Fiscal Year 2022-2023 Budget that is supported by property taxes; and he asked the Budget Office to read into the record the tentative aggregate millage rate for Fiscal Year 2022-2023.

Jill Hayes, Budget Office Director, stated the aggregate tentative millage rate for the Fiscal Year 2022-2023 budget is 4.9777 mills; and this represents no change from the aggregate rolled-back rate of 4.9777 mills.

There being no comments or objections, the Board acknowledged the announcement as read into the record that the aggregate rolled-back rate for Fiscal Year 2022-2023 is 4.9777 mills, the aggregate tentative rate is 4.9777 mills, and the percentage change is 0.000 percent, including voted millages.

Mr. Abbate noted at this point it is recommended that the Board discuss the budget since the Board must adopt the millages and related budget separately; comments and motions concerning the individual tax levies can also be made at the time each millage is adopted; and if there is no Board discussion, staff is ready to move on to Item D.3.

F.4. Reports, Re: Commissioner John Tobia, District 3

Commissioner Tobia stated the Governor just announced that Tim Bobanic would be filling the role of Supervisor of Elections; he wants to wish him the best; he knows it is a tough time to come in; he is sure Mr. Bobanic will do a good job; and he has some tough shoes to fill. He expressed his appreciation to the Chair for getting the letters out to the CRAs; he expressed his appreciation to Merritt Island Redevelopment Agency (MIRA) for what it is doing to set some priorities; he stated it is very apparent where a person puts his or her money is where they put their priorities; and MIRA has definitely done a good job in a short period of time. He went on to say he wants to thank Commissioner Pritchett, because he received a letter from Dan Diesel, and they are under no obligation to follow, but it looks like Titusville is moving in that direction; he imagines Commissioner Pritchett had a lot to do with that; it is really great to see that happening because the Board sees cities going in the other direction; he received a letter from Cocoa Beach, which says, "Cocoa Beach does not lend itself well to affordable housing;" and what Cocoa Beach lends itself to is taxing increases. He added it is embarrassing, not only for being a Republican as many of these folks claim to be, not only did they not leave the millage rate where it was, which would have been a tax increase, they increased the millage almost one full mill; it is absolutely insane; these folks are raising taxes over and over again, and squandering CRA resources; and then they have the audacity to send the Board a letter saying they are very concerned about it, but it does not lend itself well to affordable housing. He reiterated it is embarrassing on so many levels, but it goes to show what great partners the Board has in Titusville; hopefully, the other folks have better responses than what the Board hears from the very liberal City of Cocoa Beach because they keep raising taxes; clearly, they also do not care about those in need; and it is embarrassing to their taxpayers, to the folks in need, but it is in great contrast to what is happening with MIRA and with the City of Titusville.

Upon consensus of the Board, the meeting adjourned at 5:57 p.m.
