Requested Action:

It is requested that Board of County Commissioners conduct a public hearing to consider a Small-Scale Comprehensive Plan Amendment (23S.24) to change the Future Land Use designation from RES 6 (Residential 6) to CC (Community Commercial).

Summary Explanation and Background:

The applicant requests an amendment to the Future Land Use Map designation from RES 6 to CC on a 5.32-acre parcel to allow an existing non-conforming use to become consistent with FLUM. The RES 6 FLUM designation was established in the 2010-1 Comprehensive Plan Amendments that were adopted to implement the recommendations of the South Mainland Small Area Study.

A companion rezoning application has been submitted accompanying this request to change the zoning classification from RU-1-7 (Single-family Residential) and TR-1 (Single-Family Mobile Home) to BU-1 (General Retail Commercial) on the 5.32-acre subject property (23Z00083). The rezoning is necessary for the existing non-conforming use of the property as a new and used recreational vehicle dealer to become consistent with current zoning regulations.

The developed character along this segment of Aurora Road is single-family residential and single-family mobile homes. The only commercial use along this segment of Aurora Road is a convenience store with gas pumps which abuts the subject property.

The Board may wish to consider if the request is consistent with the Comprehensive Plan and compatible with the surrounding area.

On January 8, 2024, the Local Planning Agency heard the request and unanimously recommended approval.

Clerk to the Board Instructions:

Once filed with the State, please return a copy of the ordinance to Planning and Development.
