Requested Action:

It is requested that the Board of County Commissioners conduct a public hearing to consider a Small-Scale Comprehensive Plan Amendment (23S.24) to change the Future Land Use designation from RES 6 (Residential 6) to CC (Community Commercial).

Summary Explanation and Background:

The applicant is requesting an amendment to the Future Land Use Map designation from RES 6 to CC on a 5.32-acre parcel to allow an existing non-conforming RV dealership to become consistent with FLUM and zoning regulations. The RES 6 FLUM designation was established in the 2010-1 Comprehensive Plan Amendments that were adopted to implement the recommendations of the South Mainland Small Area Study.

A companion rezoning application has been submitted accompanying this request to change the zoning classification from RU-1-7 (Single-family Residential) and TR-1 (Single-Family Mobile Home) to BU-2 (Retail, Warehousing and Wholesale) with a BDP on the 5.32 acre subject property (23Z00083). This request would allow the existing use to be consistent with the Comprehensive Plan and the zoning classification.

The developed character along this segment of Aurora Road is single-family residential, single-family mobile homes, and mobile home parks. The only commercial use along this segment of Aurora Road is a convenience store with gas pumps which abuts the subject property to the north.

The Board may wish to consider if the request is consistent with the Comprehensive Plan and compatible with the surrounding area. The Board may also consider reconciling the existing development with current land use and zoning requirements.

On March 18, 2024, the Planning and Zoning Board heard the request and unanimously recommended approval.
