

Brevard County Board of County Commissioners

2725 Judge Fran Jamieson
Way
Viera, FL 32940

Legislation Text

File #: 6691, **Version:** 1

Subject:

Adoption of the Water Supply Facilities Work Plan and related amendments to the Comprehensive Plan. (All Districts)

Fiscal Impact:

None

Dept/Office:

Planning and Development

Requested Action:

It is requested that the Board of County Commissioners consider adoption of the Water Supply Facilities Work Plan (WSFWP) and related Comprehensive Plan Amendments.

Summary Explanation and Background:

To comply with statutory requirements, the attached Ordinance amends the Potable Water Element of the Comprehensive Plan to append an updated 2035 Water Supply Facilities Work Plan (WSFWP) and amends various policies within the Conservation, Potable Water, Sanitary Sewer, Intergovernmental Coordination, and Capital Improvements Elements of the Comprehensive Plan for consistency with the WSFWP.

Updates to the WSFWP include:

- Snap-shot in time of water supply for current and future residents
- Strengthen position to compete for funding assistance
- Plan for alternative sources that take time to develop and finance
- Ensure local needs are considered by SJRWMD
- The applicable Regional Water Supply Plan (RWSP) has been updated
- Meet statutory requirements (Chapter 163, Florida Statutes)

The Board approved the transmittal of the Water Supply Facilities Work Plan (WSFWP) and related Comprehensive Plan Amendments to the Florida Department of Commerce for their review and comments. On June 18, 2024, Florida Commerce issued the Objections, Recommendations and Comments report. This report identified no objections, made no recommendations, and provided no comments that must be addressed before adoption of the Water Supply Facilities Work Plan and related Comprehensive Plan amendment by the Board.

Clerk to the Board Instructions:

Have the adoption ordinance executed on behalf of the County and return an electronic copy and a hard copy of the executed ordinance to Planning and Development within ten (10) days.
