### **Dept/Office:**

Planning and Development

### **Requested Action:**

It is requested that the Planning and Zoning Board conduct a public hearing to consider a change of zoning classification from TR-1 (Single-Family Mobile Home) to TRC-1 (Single-Family Mobile Home Cooperative) with a CUP (Conditional Use Permit) for the Cluster Development of Mobile Homes and a BDP limiting residential development to 100 units.

### **Summary Explanation and Background:**

The applicant is seeking a change of zoning classification from TR-1 (Single-Family Mobile Home) to TRC-1 (Single-Family Mobile Home Cooperative) with a CUP (Conditional Use Permit) for the Cluster Development of Mobile Homes and a BDP limiting residential development to 100 units. The property is 33.8 acres, located on the north side of Canaveral Groves Boulevard, approximately 675 feet east of Grissom Parkway.

The TRC-1 zoning classification is not consistent with the RES 4 Future Land Use and requires the submittal of a Binding Development Plan to limit density in order to be consistent. The applicant has submitted a BDP to limit development to 100-units which would make the request for TRC-1 and CUP consistent with the Residential 4 FLU designation.

The character of the area is residential, consisting of mobile home zoning classifications on lots ranging in size from 0.25-acre to 1 acre. The applicant is proposing a maximum lot size of 43-feet wide by 87.5-feet deep for an estimated maximum lot area of 3,762.5 square feet, or 0.08-acre.

Previous zoning history shows that the site had previously held this type of zoning under **Z-8387** for TRC-1 with CUP for cluster development of modular coaches under a BSP (Binding Site Plan) limiting residential density to 137 units, approved in April 1989.

The Board may wish consider whether the proposed development is consistent and compatible with the surrounding area. The Board may also wish to consider if the proposed BDP limiting development to 100-units,

and the conditions of Section 62-1920, adequately mitigate the proposed development. Since this is a CUP, the Board may wish to consider additional stipulations to lessen the traffic impacts through the existing neighborhood.

The final public hearing will be held by the Board of County Commissioners on **THURSDAY, AUGUST 6, 2020 at 5:00 p.m.**, at the Brevard County Government Center, 2725 Judge Fran Jamieson Way, Commission Room, Building C, Viera, Florida.

**Clerk to the Board Instructions:**

Upon receipt of resolution, please execute and return to Planning and Development.
