Requested Action:

It is requested that the Planning and Zoning Board conduct a public hearing to consider a change of zoning classification from GU (General Use) to RR-1 (Rural Residential).

Summary Explanation and Background:

The applicant is requesting to change the zoning classification from GU (General Use) to RR-1 (Rural Residential) on 2.38 acres to develop two single-family residences. The subject property was originally platted in September 24, 1918 and recorded in Plat Book 2, Page 86. The subject property was subsequently reconfigured and does not meet the lot size requirement of 5 acres in the GU zoning classification. As of December 21, 2023, the lots have been reconfigured to meet the RR-1 lot size and width requirements.

The character of the surrounding area is a mix of undeveloped and single-family residential on large lots approximately one acre or greater in size. Zoning classifications in the area includes GU, AU, RRMH-1 and RR-1. The predominate zoning classification in the area is RRMH-1.

The Board may wish to consider if the request is consistent and compatible with the surrounding area.

The Board of County Commissioners will consider the request on Thursday, February 1, 2024. Beginning at 5:00 p.m. The meeting will be held at the Brevard County Government Center, 2725 Judge Fran Jamieson Way, Commission Room, Viera, Florida.
