### **Subject:**

Adopt Resolution and Release Performance Bond: Reeling Park South, Phase 1 - District 4  
Developer: The Viera Company

### **Fiscal Impact:**

None

### **Dept/Office:**

Public Works/Engineering

### **Requested Action:**

In accordance with Section 62-2844(b), it is requested that the Board of County Commissioners adopt the attached Resolution and authorize the Chair to sign the Resolution releasing the Contract and Surety Performance Bond dated March 10, 2020 for the above referenced project.

### **Summary Explanation and Background:**

The Reeling Park South, Phase 1 plat is located within the Viera Development of Regional Impact (DRI) south of Addison Drive on the east side of Stadium Parkway and contains roadway and stormwater improvements on 4.84 acres.

The Reeling Park South, Phase 1 plat received approval of its preliminary plat and final engineering plans on June 7, 2018, and final plat and contract approval on March 10, 2020. The developer posted a Surety Performance Bond for guarantee of the completion of the infrastructure improvements according to the approved plans.

Per Section 62-2809(b)(2), "Construction after final plat recordation: ...the applicant shall provide security required in Section 62-2844 for the performance of such construction..." Section 62-2844(a) states: "An applicant shall be required to secure its performance security of the construction required under this article by a surety bond, letter of credit, savings account, certificate of deposit or execution of a tri-party escrow agreement. Such security shall not be required if a certificate of completion has been issued for all the subdivision improvements prior to final plat recordation." Because the applicant chose to plat the subdivision prior to completion of construction, the applicant entered into Contract with the Board and posted a Surety Performance Bond to guarantee the completion of the infrastructure improvements according to the approved plans.

As of October 16, 2020, the Reeling Park South, Phase 1 plat infrastructure improvements have been completed and we are in receipt of a two-year maintenance bond.
