Subject:

Adopt Resolution and Release Performance Bond: Trasona at Addison Village, Phase 9 - District 4
Developer: The Viera Company

Fiscal Impact:

None

Dept/Office:

Public Works/Engineering

Requested Action:

In accordance with Section 62-2844(b), it is requested that the Board of County Commissioners adopt the attached Resolution and authorize the Chair to sign the Resolution releasing the Contract and Surety Performance Bond dated February 12, 2019 for the above referenced project.

Summary Explanation and Background:

Trasona at Addison Village, Phase 9 Subdivision is located within the Viera Development of Regional Impact (DRI), south of Wickham Road, on the west side of Lake Andrew Drive. The proposed subdivision consists of 20 single-family units on 12.58 acres.

The Trasona at Addison Village, Phase 9 subdivision received approval of its preliminary plat and final engineering plans on September 10, 2015, and final plat and contract approval on February 12, 2019. The developer posted a Surety Performance Bond for guarantee of the completion of the infrastructure improvements according to the approved plans.

Per Section 62-2809(b)(2), "Construction after final plat recordation: ...the applicant shall provide security required in Section 62-2844 for the performance of such construction..." Section 62-2844(a) states: "An applicant shall be required to secure its performance security of the construction required under this article by a surety bond, letter of credit, savings account, certificate of deposit or execution of a tri-party escrow agreement. Such security shall not be required if a certificate of completion has been issued for all the subdivision improvements prior to final plat recordation." Because the applicant chose to plat the subdivision prior to completion of construction, the applicant entered into Contract with the Board and posted a Surety Performance Bond to guarantee the completion of the infrastructure improvements according to the approved plans.

As of December 10, 2019, the Trasona at Addison Village, Phase 9 subdivision infrastructure improvements have been completed.
