**File #:** 1809, **Version:** 1

---

### **Subject:**

Approval Re: Donation of Sanitary Sewer Easement from El Swift Holdings, LLC (Owner) for the W01-W15 Force Main as part of the West Cocoa Utility Improvements Project - District 1.

### **Fiscal Impact:**

None

### **Dept/Office:**

Public Works Department / Land Acquisition / Utility Services Department

### **Requested Action:**

It is requested that the Board of County Commissioners approve and accept the Sanitary Sewer Easement.

### **Summary Explanation and Background:**

The subject property is located in Section 35, Township 24 South, Range 35 East, on the west side of Interstate 95 on Tucker Lane in Cocoa.

The Utility Services Department's West Cocoa wastewater collection and transmission system, including lift stations, force mains, and gravity mains, are aging infrastructures that require rehabilitation and/or replacement. Several of the existing lift stations were originally privately-owned, but are now owned and maintained by the Brevard County Utility Services Department. Many of these lift stations are not in compliance with current Brevard County wastewater design standards since they were initially constructed and maintained as private facilities. There are several easements and proposed property acquisitions that are required to optimize the performance of the overall improvements to the West Cocoa wastewater collection system. The El Swift Holdings, LLC parcel has been identified as one of the property acquisition sites.

This acquisition follows the policies and procedures as set forth in Administrative Order 37.
