Summary Explanation and Background:

The County Health Departments were created pursuant to Chapter 154 F.S. to “promote, protect, maintain, and improve the health and safety of all citizens and visitors of this state through a system of coordinated county health department services.” In order to assure coordination between the State and the County in the operation of the Brevard County Health Department (BCHD), the State and the County enter into an annual agreement.

Per this agreement, the BCHD agrees to maintain 3 levels of service pursuant to Section 154.01(2) F.S. These include Environmental Health Services, Communicable Disease Control Services, and Primary Care Services.

The County will provide administrative and clinic facilities at the following locations - 2555 Judge Fran Jamieson Way, Viera; 2725 Judge Fran Jamieson Way, Bldg. A, Viera; 1748 Cedar St., Rockledge; 611 Singleton Ave., Titusville; and 601 E. University Blvd, Melbourne, FL 32901.

This contract is a renewal with the Florida Department of Health stipulating Public Health services that will be provided by the Brevard County Health Department. The agreement identifies the County's contributions as \$467,415 for the cost of Public Health Services for low-income residents. This agreement also sets out the County's responsibility as it relates to facilities, maintenance and equipment, as well as environmental health fee revenues anticipated to be received by the County Health Department.
