### **Requested Action:**

It is requested that the Planning and Zoning Board conduct a public hearing to consider a request for a CUP (Conditional Use Permit) for a Private Boat Dock Adjacent to a Single-Family Residence in an RU-1-13 (Single-Family Residential zoning classification).

### **Summary Explanation and Background:**

The applicants are requesting approval of a Conditional Use Permit (CUP) for a private residential boat dock in the RU-1-13 zoning classification for the purpose of legitimizing an existing boat dock on the parcel as an accessory use.

A CUP for the existing dock was never applied for by the previous owners. The applicants also own Lot 1, Block D, located in the same Crystal Lakes subdivision approximately 1,495 feet northeast of the subject waterfront lot and both parcels retain the RU-1-13 zoning classification.

The character of the area is a mix of existing single-family homes and parcels with existing docks. Of the 13 similar parcels on the south side of Ross Avenue, all but two have existing docks. There have been nine approved CUP actions for private boat docks accessory to adjacent single-family residential lots in the immediate area of the Crystal Lakes subdivision.

The Board may wish to consider the compatibility of the proposed CUP with surrounding development. The Board may also wish to consider additional conditions beyond those cited in Sections 62-1901 and 62-1906 in order to mitigate potential impacts to the abutting properties.
