Subject:

Final Plat and Contract Approval, Re: Bridgewater South at Viera Section 2 (21FM00005) (District 4)
Developer: WCI Communities, LLC.

Fiscal Impact:

None

Dept/Office:

Planning and Development

Requested Action:

In accordance with Section 62-2841(i) and Section 62-2844, it is requested that the Board of County Commissioners grant final plat approval and authorize the Chair to sign the final plat and contract for Bridgewater South at Viera Section 2.

Summary Explanation and Background:

There are three stages of review for subdivision plan approval: the pre-application conference, the preliminary plat/final engineering plan review, and the final plat review. The pre-application conference for the above project was held on March 26, 2020. The preliminary plat and final engineering plans, which is the second stage of approval, was approved on February 8, 2021. The third stage of review is the final plat approval for recordation. The applicant is posting a performance bond and contract for guarantee of the completion of the infrastructure improvements.

Staff has reviewed the final plat and contract for the Bridgewater South at Viera Section 2 Subdivision, and has determined that it is in compliance with the applicable ordinances.

Bridgewater South at Viera Section 2 is located within the Viera DRI, at the southern end of Breakers Row Avenue. The proposed subdivision contains 248 single-family lots and 92 duplex units on 123.65 acres.

This approval is subject to minor engineering changes as applicable. Board approval of this project does not relieve the developer from obtaining all other necessary jurisdictional permits.
