### **Dept/Office:**

### **Requested Action:**

It is requested that the Board of County Commissioners approve and accept the attached Sanitary Sewer Easement.

### **Summary Explanation and Background:**

The subject property is located in Section 13, Township 26 South, Range 36 East, on the west side of US Highway 1 in Rockledge.

Utility Services Department is planning a relocation/reconstruction project for Lift Station T08. The present location of the lift station lies between two residences that hinders access for staff and vehicles. The new location will allow easier access for staff and minimize impacts to the adjacent homeowners. The owner has agreed to donate the necessary easement needed for the project.

The User Department approves this request.

This acquisition follows the policies and procedures as set forth in Administrative Order 37.
